

## **CWPS P&C FUNDRAISING PLAN 2021**

Due to Covid-19, the majority of fundraising events planned for 2020 were cancelled. The opportunities we were permitted to undertake included the following:

- Father's Day stall (held at the school with Year 6 kids assisting); and
- Sale of Gingerbread House Kits

From these two fundraising efforts we resulted in a combined surplus of **\$577.65**. Whilst the two efforts combined made over \$2,000, the lower surplus reflects the invoice paid earlier in 2020 for items for the Mothers Day stall (which was never held as a result of the COVID restrictions). Our target for the year had initially been \$33,500 – which we obviously did not get anywhere near given the year we had!

As there is still some uncertainty surrounding community events in 2021, the fundraising committee has drafted a schedule of fundraising opportunities with a reduced target for 2021. The events listed in the schedule will all be subject to NSW Health guidelines.

### **Next steps**

The fundraising committee wish to seek agreement from the Principal and P&C Executive on the activities put forward so that planning can commence. Once the fundraising schedule is confirmed it will be tabled at the next meeting of the P&C.

### **APPENDIX 1**
