WELCOME BACK!

Welcome back to all our old families and our new families, we hope your holiday break was just as much filled with joy and laughter as ours was at vacation care!

We can't thank our families enough for all their wonderful donations over our vacation care period for the children to upcycle and reuse, I'm sure there were many unique creations that made their way home.

VACATION CARE HIGHLIGHTS

Excursions:

During this vacation care period, we ventured out on some of our wildest, most fun and eye-opening excursions!

From visiting the Australian museum and learning fun facts about the prehistoric animals that use to roam our worlds, to Sydney zoo where the children got up close and personal with the beautiful creatures that still roam today.

The children showed great sportsmanship as they cheered and encouraged one another to reach the highest point in rock climbing and they worked as a team as they ventured into the low-light arena for laser tag.

Incursions:

Now even though our excursion set the bar high our incursion definitely did not disappoint.

The children were able to gain a deeper understanding and respect for what our local fire brigade does for us.

The weather did not stop the children's want and eagerness to go to Harry noble and train with the rovers in the rain.

And one of the incursions to wrap up our vacation care period was a colour run, where children were involved in physical activity games and yes were absolutely covered in colourful powder.
