

Dear Carers and Parents

One of the applications the school uses to support communication between families and the school is the Erskineville Sentral Parent Portal.

Throughout your child's time at Erskineville Public School, you will use the Parent Portal to access your child's twice-yearly reports and to make appointments for parent teacher interviews.

We are now making available the ability to advise the school of your child's absences.

You can access the Sentral Parent Portal by:

- 1) Downloading the Sentral for Parents App

or

- 2) The website: <https://erko.sentral.com.au/auth/portal>

If you do not already have an account with our Parent Portal, please log onto the internet and register for access: <https://erko.sentral.com.au/auth/portal?action=register>
