Revesby Public School

Message from the Principal

As Principal of Revesby Public School, it is my pleasure to welcome everyone back for an exciting year of learning and growth. Across our school currently you can hear the healthy buzz of wonderful and engaging learning experiences that will allow all students to succeed, while reaching their potential. The school also provides many wonderful opportunities for strong and valuable partnerships to be formed. I know that we will achieve great things this year. Our teachers have been working hard to make sure that they get the learning on track as quickly as possible. I thank you for your ongoing partnership where we work together to make our school a dynamic learning environment and a warm community where we can all be proud.

The staff of Revesby Public School work collaboratively to design a learning plan to meet the diverse and individual needs of each student. A variety of strategies and techniques will be used to differentiate and individualise the learning throughout the school year. The administration staff of Revesby Public School work cooperatively and openly with parents and guardians to provide clear lines of communication and support to our staff and our students. Together parents and staff members will work to ensure a cohesive and collaborative plan in providing an educational journey which is rich and challenging for all students.

We are all excited to have students back in our classrooms and in the playground, filling the school with energy and enthusiasm for learning. It is our vision that every student feels welcomed, valued, cared for and connected to our Revesby Public School family. This year we will work harder than ever to achieve the Department of Education's strategic direction of 'Every student, teacher and leader growing every year'.

At Revesby Public School we have phenomenal teachers who have spent hours planning engaging lessons. Our teachers will be working with our students to set individualised goals to ensure each student reaches their learning potential. Each teacher has been busy learning about your children, their interests, strengths and areas of development.

Staffing has stayed very stable where we have seen very few changes this year. We have also kept our staffing quite similar so that teachers know the students within the grades and can get the learning going as quickly as possible.

Week 1 was a phenomenal week and I could not be more proud. I saw first hand students going out their way to help each other and to support our new students and families. This is the Revesby Public School Way and it makes my heart swell with pride. I saw our office staff taking care of families and helping them and they did this with compassion and kindness. The office can be a very busy place and our office staff worked beyond their working hours to ensure that everything was organised. I thank our office staff that were here, beyond their hours to make sure that all is ready to go. I saw teachers and staff welcoming our new staff and ensuring that they were supported. I saw our leadership team checking in on all levels with students, parents and staff and watching them work to ensure that all needs were met, was pure magic. I saw students in the support unit settle into their new learning environment and embracing the new outdoor learning area. I saw our general assistant come in, out of hours to make sure that our grounds were ready to present to the community. I could seriously write a book about all of the wonder that I witnessed in the first week. I saw our families cuddle their children and send them through the school gate honouring our directions to keep a COVID safe environment. I thank you for your support in this regard. We

are still following the NSW Health Guidelines to support a safe environment. This is what makes my heart sing and confirms my feelings of being an outstanding school. I know that our school culture is strong and that our actions match our words. Thank you to all that contributed to making Week 1 nothing short of spectacular.

I would like to extend a very big welcome to all of our students and families for 2021. A special welcome to families that are new to Revesby Public School.

Welcome to all of our Kindergarten students who have settled into their learning spaces very well. We saw lots of happy, smiling faces as they entered the classroom. I think that the Kindergarten team did a wonderful job of preparing the students with the transition/orientation program and this saw everything run smoothly. Well done to the team this year on making our first days of Kindergarten happy, smooth and welcoming. We have an amazing team who work hard to support all of our students.

It is an absolute honour to serve as Principal of Revesby Public School. It is a privilege to work as a part of a community where parents, staff and students care for each other and strive to build positive relationships which benefit everyone. It is parents, staff and students working in partnership with a shared purpose in providing educational excellence for all students which will guarantee that Revesby Public School continues its strong legacy of serving the community with an aim for making a difference in the lives of its students in developing global citizens.

Swimming Carnival

Students from Years 2-6, and those that turn 8 years old who have been identified as strong swimmers will attend the Swimming Carnival on Friday 12th of February, 2021.

Classes for 2021

This year we have started students in the classroom that we anticipate they will be in for the rest of the year. This may be subject to change depending on the number of enrolments but we are hoping that our numbers are stable. This will allow class teachers to start setting up routines and also start the assessment process.

School Resources

Can I thank all of the families that have already paid for the Book Packs, Whuska, Mathletics and the Voluntary Contribution Scheme. Invoices regarding these payments will be sent home for those that haven't paid. We are sending home additional notes for families where the notes may not have made it home.

Happy Lunar New Year

Happy Lunar New Year to all of our families, friends and community members, celebrating this special time in the year. May the new year bless you with health, wealth and happiness. In the new year may your right hand always be stretched out in friendship.

The Lunar New Year starts with the first new moon. Lunar New Year, will be observed on Friday, February 12th, 2021. Mostly, the New Year festival period lasts for 16 days, starting from New Year's eve to the Lantern Festival. 2021 is a year of opportunities so I am hoping that you all are presented with many wonderful opportunities which bring you much happiness. I love that this year is all about one of our key values 'opportunities'.

continued over page

Our school's vision is that we all develop a true understanding of all cultures but particularly of those present within our school. We wish to go beyond tolerance to true understanding of each other's cultures. One of the highlights of our school is how multicultural we are and this is the thing that makes us so very rich. This diversity creates the Revesby Public School fabric. A unique weave that celebrates and respects culture, religion and diversity

Communication

We work really hard on ensuring that effective communication is at the heart of all we do. We do this through a variety of means including our newsletter, website, phone calls, Facebook, notes and class applications (Dojo). Face to face meetings are a little tricky at the moment, keeping with the NSW Health Guidelines. We are working on ensuring that all of our notes come through on the 'E News' application so that if you miss anything that you can find it here. We will send more information about this to you soon.

If there is ever anything that you need further information on, your child's class teacher is the first point of call. If you should need anything further you can phone the office and ask for the stage supervisor to phone you. We always endeavour to get back to you as quickly as possible.

Stage Supervisors

I would like to recognise the executive team for 2021. Thank you to the outstanding team of educators that support the running of the school. There is such diversity, experience and expertise within the team. I thank you for the time that you invest into ensuring that we bring the very best to the community.

Back to School

Students in stage 3 have settled well into their new classes for 2021. They have been working collaboratively to complete set tasks.

AFL Clinic 5/6 Ruby

Ayman E and Ayman L

I liked how the teacher explained the marks and the mini games that we participated in, for example octopus-tag. It is very similar to Bull-rush. The players have to run through the field and not get tipped by the taggers. Once you get tagged you become the octopus and you continue until somebody wins.

thrown on to your arms and you roll them up. The final mark is a superhero theme where you catch it by jumping up into the air.

SNATCH!!!

Snatch is like Simon Says. You have a partner and the first one to grab the ball when the teacher says "snap" gets a point. This game is based on how fast you can grab the ball. Then after we did some marks. The first mark we were taught was a simple mark. You held your hands out then the ball is

On Wednesday morning we had lots of fun learning about Parts of Speech in English. We learnt about Nouns, Adjectives, Verbs and Adverbs and were quizzed on them. Following this, we broke up into literacy groups where each group read a book and recorded parts of speech to show our understanding of the lesson. 5/6 Teal

School Resource Package and Fees Schedule 2021

Parents/Caregivers,

Please find below the notification of School Fees, Resource Pack and Athletics requirements for 2021. Pencils and coloured pencils will be provided by the school to all infants children -(Kindergarten to Year 2). All children in Year 3 and above are expected to supply their own pencil case, pens and pencils, etc. to participate in all lessons. The students will be required to bring it to school each day. Each stage group teacher will send home the list of items required.

<p>Book Packs</p> <p>The school has pre-ordered all of the exercise books, folders, scrapbooks, pencils, whiteboard markers etc. that your child will need throughout the year.</p> <p>(Year 3 to 6 will be required to supply their own pencil case, pens and pencils etc. so these items will not be provided for years 3 to 6 in the Resource Pack)</p>	<p>Book Pack Not Optional cost for Years K - 6 \$25.00</p>
<p>Mathletics</p> <p>This is a very popular website that we are able to access at a reduced price through the school. It will be offered to all parents as it caters for all stage groups.</p> <p>Children in Kindergarten – Year 6 will access the program in class and can access the website at home at any time to consolidate skills. It will cost \$13.00 per child. If you were to register privately it is closer to \$100.00 per child.</p>	<p>Mathletics Not Optional</p> <p>Access per child \$13.00</p>
<p>Wushka</p> <p>This is a reading program that we are able to access at a reduced price through the school. It will be offered to all parents as it caters for all stage groups.</p> <p>Children in Kindergarten – Year 6 will access the program in class and can access the website at home at any time to consolidate skills. It will cost \$13.00 per child. If you were to register privately it is closer to \$100.00 per child.</p>	<p>Wushka Not Optional</p> <p>Access per child \$10.00</p>
<p>School Contribution</p> <p>The school contribution scheme enables the school to acquire much needed classroom supplies. These funds are used to purchase items including class sets of calculators, dictionaries, class reference books, home reading resources, sporting equipment, structured play equipment and art and craft supplies.</p> <p>Your support in contributing to this scheme is much appreciated and valued.</p>	<p>School Contribution Optional</p> <p>Each student \$50.00</p>

P&C Association

Revesby Public School
Victoria St, Revesby, 2212

You are cordially invited to become a member of the Revesby Public School Parents and Citizens' Association (P&C). Parents of students attending this school and other interested community members aged 18 years or over (including staff members) are eligible to become members of the P&C.

The Annual Membership Fee of \$1 is payable with this application and entitles you to full voting rights as a Financial Member at the meeting, following the one at which your membership fee was paid. Should you choose not to pay the membership fee, you can still participate as an observer but not vote or hold office.

You may join the P&C at any time during the year, however all memberships are due for renewal in March each year.

Please return your completed form to the office or Email revesbypnc@gmail.com

Purchase canteen meals online.

No cash. No problem! Try QuickCliq today!

QuickCliq is an innovative online ordering system trusted by schools and parents across Australia. QuickCliq is a cashless solution that helps you manage your children's canteen orders from the comfort of your home or office.

How to get started

- QuickCliq is free to set up and easy to use
- Register at www.quickcliq.com.au
- **SIGN UP** and complete the registration form
- Receive a link via email to **ACTIVATE** your account before logging in
- **ADD STUDENT**, add your child's details, select their school and save to your account
- **ADD CREDIT** to your online wallet before ordering or pay as you go using credit or debit card
- Select **MEAL ORDER** and you're good to go

Orders can be placed up to 28 days in advance. You can view your completed orders via the Active Orders or Transaction History tabs in your account.

Want to know the best thing about QuickCliq?

- ✓ One family one account - you will have one unique and secure login to manage all your children's orders, even if they attend different schools. QuickCliq saves you time and gives you complete visibility over your family's needs.
- ✓ Tired of looking for change every morning before your kids run off to school? With QuickCliq, lunch money is a thing of the past.
- ✓ We're giving control back to you over your children's diets. By ordering their lunch ahead of time, you can ensure they are eating healthy and balanced meals
- ✓ QuickCliq was designed with mobile access in mind. Simply login to add credit and order, all from the convenience of your smartphone or tablet.
- ✓ To top up your account you have three options: Direct Debit / Credit Card / PayPal
 - Direct Debit - 0.50c transaction fee
 - The surcharge to add credit is 1.5%
 - The surcharge for PayPal is 3.8%
 - When placing an order there is a small booking fee per transaction per student.

Our Call Centre is here to assist your families with ordering online **Call 1300 11 66 37**
