Message from the Principal

SAS Staff Recognition Week: 24-28 August

This week we have been celebrating SAS Staff Recognition Week. This week is all about celebrating our School Administrative and Support Staff. It is a time to acknowledge their wonderful work and thank the often unsung heroes of our school. They are the backbone of our school. They are the ones that support the learning,

take care of our students in the event of an accident or they are sick, wipe the tears away, process payment, make

connections from home to school and pass on messages, they mow our lawns and keep our school maintained. Their work is important and varied.

This week is all about recognising and acknowledging the wonderful work of all of our SAS Staff who work tirelessly to keep our school running smoothly. 2020 has already been a massive year that has shown the absolute best of what school support staff do in difficult times and this is reflective of our SAS Staff too. Through fire, flood and the Coronavirus epidemic, our school has been kept running By our SASS who have continued to support students, teaching staff and our school community.

During this week I wish to acknowledge the amazing work of our SAS Staff who continue to work above and beyond. They deserve every recognition and a huge thank you.

This week we wish to acknowledge the work of:

Miss Tina, Mrs Shepherd, Mrs Das, Mrs Buckingham,

Mrs Cork, Mrs West, Mrs Rooke, Miss Rachel,

Mrs Larkin, Miss Gordana, Mrs Diyab, Mrs Dilonardo,

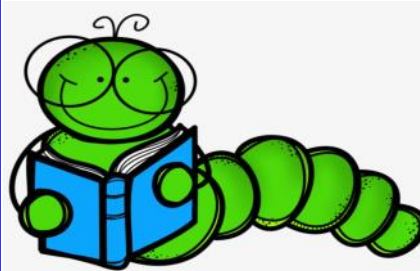

Mrs Poll, Mrs Hearne, Mr Freer

Thank you for all that you do! Our school would not be the wonderful place that it is without your amazing work.

Our Reading Challenge

RPS has a Reading Challenge going on. Some of our families would have received a phone call letting you know your child's Reading levels. We are aiming to improve each and every level across our school.

We are asking families to spend 15-20mins per night reading with your child. We are asking every student and every family to get involved with this.

We are in this together. We are working hard at school and we are hoping our students will follow up with working hard at home. I'm truly looking forward to seeing the results. I also loved the time chatting with families. We will be making more calls over the coming weeks. We are hoping to be able to celebrate our reading gains over the next coming weeks.

The Quest

Stage 3 were out enjoying their sporting 'Quest'. They have a competition that will be completed over a few weeks. Our students were having such a wonderful time. It was great to hear so much laughter. This week was a little sad as we said goodbye to PSSA in order to keep our community as safe as possible so it was great to see the our enjoying their afternoon of sport. Well done to our Stage 3 teachers under the leadership of Mrs Henry.

Celebrating a Super Great Day

Last week our staff and captains worked with the Catalyst Lab Academy on innovative solutions. What an amazing day of Professional Learning. We then worked as a team last Thursday to interview our students, staff and families/community. Our students absolutely shone. There was deep thinking, mind mapping, preparing for our empathy interviews and truly putting our heads together (while physically distancing) around school Improvement. We were able get some input on the ways in which we can move the school forward. I loved everything about today. We were pushed out of our comfort zone and challenged to refine and clarify our challenge. We appreciate the time that you so willingly gave us. We will use your input to support strategic improvement.

Preparing for the Youth Summit

Students solving real world problems. My favourite part of today @RevesbyPS was our students interviewing Minister Jihad Dib regarding how to overcome loneliness and isolation during the COVID-19 pandemic. Our leaders make me so very proud. We are working on real solutions. If you have ideas of your own please leave us a comment as we would love to represent the community views. Our students are the future! They will lead the way! #globalcitizen
