Message from the Relieving Principal

Welcome back to school for Term 4. We have had a very successful start to the term with students in classes and back to learning from the first day. I have enjoyed listening to all the different activities and adventures students participated in during the holidays. Looking forward to an exciting term ahead full of fun and learning.

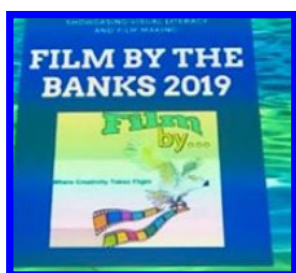

Staffing News

We are really pleased to announce the permanent appointment of Mrs Dennell Rooke, who was successful last term for our School Administration Officer position. Please join us in making Mrs Rooke feel welcome by saying hello when you see her.

Film By the Banks

The 2019 Film By the Banks was a great success! Thanks to our wonderful community for supporting the matinee and evening screenings. A special congratulations to all students who made films and to our wonderful hosts, Edward and Kiara.

Russ the Bus

On Monday, 11 November 2019, Russ the Story Bus, the Sydney Writers' Festival's beloved 'library -on-wheels' will be visiting Revesby Public School.

Russ the Story Bus is a magical bus for primary school students that celebrates storytelling, reading and creativity, and encourages a lifelong love of books.

Each student taking part will be invited on Russ to select

a free book of their very own to keep, as well as take part in an interactive talk presented by a children's book author or illustrator. The author will share their love of books, discuss their craft and inspire children to think creatively about reading, writing and storytelling.

The author visiting Revesby Public is Frances Watts, an award-winning author of more than 25 books for younger readers. Her bestselling picture books include *Kisses for Daddy*, *Parsley Rabbit's Book about Books*, and *The Fearsome, Frightening, Ferocious Box*. Frances is also the author of the medieval Sword Girl series and the Stinky Street series (under the name Alex Ratt).

Safety Alert

It has been brought to our attention that parents and students have been walking through the school car park. Please do not walk in the school car park at any time to ensure the safety of all students and community members. Please use our main gates which open at 8.30am and 2.30pm. (Excludes drop off and pick up for our families using the YMCA on site child services).

P&C Meeting

P&C meetings are a great way to hear school news from the Principal, meet other families and ask questions you may have. We look forward to welcoming new parents and interested family members. Save the date: Our next P&C meeting Wednesday 30th October in the school hall. It would be great if you could attend.

Sport Photos

The sports and extra-curricular sample photos have arrived. If you would like to have a look and place an order, an order form can be picked up from the front office.

KINDERGARTEN NEWS

This term In PDH Kindergarten are learning about positive health practices.

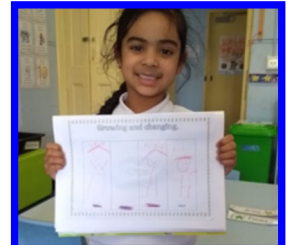

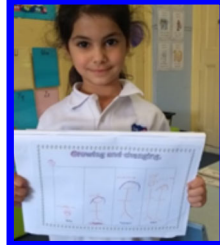

This week we looked at healthy food and making good food choices.

In Science this term we have been looking at the weather in our world. Students are observing the weather every day using their senses and recording their findings. Students will be looking at weather conditions and sharing their observations and ideas with their peers.

In History we are learning about our family heritage. Students have been communicating the different countries that they come from and the languages they speak.

In Art this week the students completed an artwork inspired by a stormy day. White oil pastel and watercolour paint was used.
