Dear Parents and Caregivers,

## Easter Hat Parade - Thursday 7<sup>th</sup> April 2022

This year, students will take part in an Easter Hat Parade on Thursday, 7<sup>th</sup> April.

Parents are welcome to attend. Please be aware that all parents/caregivers are required to wear a mask and to social distance while attending the parade.

Parade Time: 9:30am- 10:30am. (K-6 including support classes)

Students have the option to create an Easter hat at home to wear on the day. Hats can be as creative as you like! Children will also make a hat in their classroom that could be used on the day.

As per COVID safe practices, students will be sitting in grade cohorts and socially distanced around the parade. The area is well ventilated [outdoors- middle grass or in our indoor/outdoor hall space weather permitting]

Kind regards
