

17<sup>th</sup> March 2022

Dear Parents and Caregivers

## Harmony Day Tuesday 22<sup>st</sup> March 2022

- Due to the current situation, Harmony Day will be different to previous years. To align with current health advice and guidelines, unfortunately, parents and external visitors **will not** be allowed to attend Harmony Day.
- To show support for cultural diversity, students can wear their traditional costumes, or orange. We ask that students bring in a gold coin, which will be donated to the Refugee Council of Australia, in support of the settlement of our most recent intake of Afghani refugees.
- Students will participate in a colouring competition in celebration of Harmony Day. Selected works from each grade will be displayed in the hall to form a school mural.
- Students will participate in age appropriate Harmony Day activities.
- Photos will be taken of students during the day and placed on class Dojo and our Facebook page.
