

20 BOTTLES EQUALS 1 LITRE OF FUEL

This fantastic Return And Earn NSW Government recycling program allows our supporters to help fuel our planes.

Yagoona Public School will be running a return and earn program to support Little Wings. Little wings are a non-profit organisation that provides free, professional and safe flights along with ground transport services for seriously ill children in rural and regional NSW.

Starting Monday 16th May 2022 there will be a bin outside the office.

Students are encouraged to bring in eligible containers (plastic bottles and aluminium cans) for Recycling.

All profits will go to Little Wings to help fuel the planes and transport ill children.

For more information and other ways you can help go to https://www.littlewings.org.au/
