UNSW – International Competitions and Assessment for School (ICAS) 2022

Dear Parents and Caregivers,

The Educational Testing Centre at the University of New South Wales, invite students in years 3-6 to participate in the competitions listed below. In previous years, many students have achieved results from Credit to High Distinction.

What is ICAS?

ICAS is an online academic competition that is designed to assess students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling Bee and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student who participates will receive a printed certificate and an online results report. The entry fee for each of the competitions is indicated below.

If you would like your child to participate in any of these competitions, you will need to go online to the following link, enter the code, enter your child's name and select the competition they wish to complete. Then proceed to payment. **DO NOT send money to the school.** Online entries close **25/07/2022**.
