Best Start Assessment will be held on
30 January and 31 January, 2024

Best Start Assessment

Children start school with a range of early literacy and numeracy skills, knowledge and understandings developed from connecting with the world and people around them.

The Best Start Kindergarten Assessment is a state-wide assessment that helps teachers identify the literacy and numeracy skills of each student at the beginning of Kindergarten.

The assessment includes a literacy and numeracy component and provides teachers with information on a student's individual strengths and needs.

First Day of Kindergarten

The first day of Kindergarten will be on *Thursday 1 February, 2024*. Students will be expected to arrive at school at 9:15am and picked up at 2:50pm.

Victoria Avenue Public School opened in 2015 and is located on Victoria Avenue, Concord West. We acknowledge that we play and learn on the lands of the Wangal people of the Eora nation and the Barramattagal people of the Darug nation.

Victoria Avenue Public School is about preparing our community of learners for their futures. We are creating students who are passionate about learning, who strive to shape their creative and critical ideas into meaningful innovations. We aim to provide every student with the tools they need to collaborate, to succeed and to lead.
