

## Selective education computer-based test pilot

Is your child in Year 3 or Year 5? Express your interest now to participate in our computer-based test pilot

The department is moving from paper to computer-based tests in 2025 for selective high school and opportunity class entry in 2026.

To help with the change we are testing the use of computers in a test 'pilot'. We are seeking **expressions of interest** from parents and carers for their child to participate.

### When is the pilot?

Saturday 22 June 2024

- Pilot opportunity class test:  
7:30 am – 11:00 am
- Pilot selective high school test:  
12:30 pm – 5:00 pm

### Where are the test locations?

- International Convention Centre, Sydney
- University of Newcastle, Callaghan
- Mount Panorama, Bathurst

**Participating students get to experience sitting the computer-based test under test conditions**

**Important: Participation in the pilot will not result in placement in a selective high school or opportunity class.**

Year 3 students will sit a **pilot** Opportunity Class Placement Test. Year 5 students will sit a **pilot** Selective High School Placement Test.
