## Events

- 50m Freestyle is by age groups: 8, 9, 10, 11, and 12 years
- All other 50m events are Juniors (8,9,10 years together), 11, and 12 years
- All specialist races (100m and 200m events) are all age

All events are 'timed finals' except 50m Freestyle events

- 'Timed finals' means that the winners of each event are based off a student's time in their heat
- This means they may win their heat but not the event if there are faster swimmers in other heats

## 50m Freestyle finals

- If there is more than one heat for a 50m Freestyle, there will be a final (time permitting)
- If there is only ONE heat, that heat will be a timed final

## Judging

- Experienced judges monitor each race for close finishes. Their decision is final.
- Please do not enter the recording area requesting times or places as the staff and volunteers are working
- Only parent volunteers on a job are allowed in the judging, recording, and finishing areas
