CHS BASKETBALL

On Monday 6th March 2017, 17 Kandos High School students travelled to Bathurst to participate in the CHS Basketball Competition.

The competition was tough with many of the teams having played in local competitions.

Students demonstrated determination and a willingness to 'have go' under fatiguing times.

Congratulations to all students who participated.

Mr Stockwell and Mrs King

SHAKESPEARE IN THE VINES

Some staff and students recently enjoyed a performance of Shakespeare's "Much Ado About Nothing" at Gooree Park in Mudgee.

It was a great event and everyone thoroughly enjoyed the event.

GOLF

On Monday the 13th of March the Kandos High Golf team of Jack Nassis, Nick Bucan, Kevin and Thomas Large and Oden Osgood set off to play in this year's Western Golf Championships played at Cowra Golf Club.

The boys teed off in the worst of conditions with torrential rain and howling winds continuing throughout the entire round.

The boys battled away all day and did our school proud turning in some fantastic results.

Jack Nassis turned in a wonderful round under the conditions clearing out to win by 5 strokes making him Western Region Schoolboys Champion and going one better than his runner up effort last year.

Thomas Large snared Runner Up in Junior Boys and Overall Handicap, with what was also an excellent round under the conditions.

Thanks must go to Kevin Lloyd and Papa Osgood for the transport and the walk/support under very wet and trying conditions.

Once again well done boys and lets hope for better weather next year!!

HOW DOES YOUR GARDEN GROW?

The Support Sensory Learning Garden Project is coming along nicely. Students from Acacia, Banksia and Wambinya have been working hard this term to establish their vegetable gardens which were initially created, assisted by Bunning's staff, using a generous donation received from Mid-Western Regional Council.

Another exciting gift of a pre-loved garden composter has been received from Leigh-Anne and Steven Thorn. This device has been lovingly refurbished by the students and is being used to make garden mulch to fertilise the area.

The next stage of the garden project will include the installation of four wine barrel planters filled with a variety of citrus trees , succulents and flowering plants .

OPPORTUNITIES EXCURSION

On the 27th of February and the 1st of March a group of Year 8 and 9 students accompanied by Mrs. Fuller and Mrs. Parsons to the Newcastle region to explore a range of career opportunities along the way.

Students visited Newcastle University, the Hunter TAFE, TOCAL, the Merewether Surfhouse, McDonald Jones Stadium, Newcastle Wetlands and Hollydene Winery. On the Tuesday night, students enjoyed dinner at Harry's Café De Wheels and then learnt more about Newcastle's ghostly past on a ghost tour of the city. Afterwards they visited the shorefront and enjoyed Cold Rock ice-cream for dessert. Accommodation was at the YHA in Newcastle and students experienced catering for themselves with breakfast- a first for many of them.

The students were able to find out about many vocational pathways and see courses and facilities that they perhaps hadn't been aware of previously. They also got a taste of life in a much larger centre than they are used to. It was a great experience for everyone concerned and hopefully it will run again for the current Stage 4 students.

Thanks goes to Mr. Parsons for driving the bus for us, shopping for groceries and helping to cook breakfast.
