Term 2 Week 2 2017

## ANZAC DAY ASSEMBLY 2017

Staff and students of KHS commemorated the fallen during our ANZAC Day service on 26 April. We were pleased to have Ken Bevitt, Glen Evans and Ray Stout, representing the Kandos RSL Sub Branch. As well, John Taylor, President of the Kandos RSL Sub Branch again attended and addressed the assembly.

Mr Taylor served in Nui Dat, Vietnam, with the Royal Australian Engineers corps of the Australian Army 1970-1971. He graduated from KHS in 1963 and was conscripted for National Service along with 8 other KHS graduates - he was a Nasho.

Also in attendance was former KHS Vice Captain, Jayden Taylor, now serving with the RAAF as an Aircraftman.

Awards were presented to two students who entered the RSL Sub Branch Essay Competition.

Congratulations to Ally Jupp who was the Winner and Jasmine Kernaghan who was Runner Up.

At the end of the assembly everyone was treated to an Anzac biscuit made by Mrs Parsons and the 9/10 Food Tech class.

## MOOLARBEN AWARDS

Congratulations to Tyron Reynolds who was the Overall Winner of the Junior Moolarben Spirit Award!

Well done to Riley Murphy and Tyron Reynolds who were both nominated.

The students attended the awards night on Thursday 6 April, in Mudgee.

The awards are sponsored by Moolarben mine and are to recognise the students from local high schools, who work hard and represent their school with pride and display qualities that make them a credit to the community.

## PARLIAMENT HOUSE VISIT

Two of our students, Captains Jasmine Morgan and Riley Murphy were invited to attend a unique program offered by the Department of Parliamentary Services.

The program focuses on civics and citizenship which gives student leaders the opportunity to develop their knowledge of our system of government and parliamentary proceedings, and the role of the Governor.

Jasmine and Riley met with the Ministers in Parliament House and at Government House they met with His Excellency General the Honourable David Hurley AC DSC (Ret'd), Governor of New South Wales.

# INFORMATION & SOFTWARE TECHNOLOGY

In his Information & Software Technology class, Nathan Maw used CAD-CAM (Computer Aided Design - Computer Aided Manufacturing) to route out his name and a border on this wooden plaque.

Well done Nathan!

## TERM 1 POP UP RESTAURANT

KHS held their first Pop Up Restaurant for the year at the end of Term 1.

The Catering Crew presented a fantastic meal of beef or chicken schnitzel and vegetables, along with a choice of dessert.

Guests were also treated to a complimentary glass beer stein filled with soft drink.

## TERM 1 DISCO

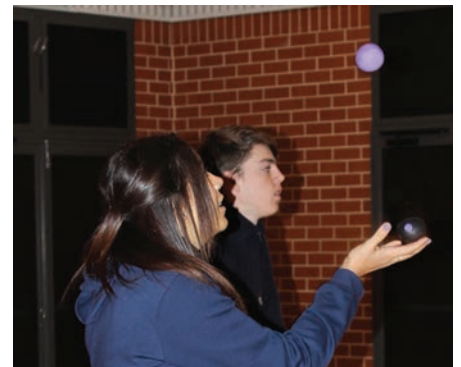

## FUTURE MOVES

Year 11 and 12 students were given the opportunity to take part in the Skill fix program being run through the CSU Future Moves program.

Sessions cover literacy skills tweaked, learning types and how to match study methods, time management, effective research and tips for exams from university students who have survived the HSC.

## P & C ASSOCIATION

Our next P & C meeting will be held on Monday 15 May 2017 at 5.30pm  
All welcome!

## GRIN BIN WINNERS

Hamish Smith

Erin Reynolds

Corey Armstrong-Lane

Dylan Rutter

Lucy Quarmby

# ATHLETICS CARNIVAL 2017

# CALCULATORS

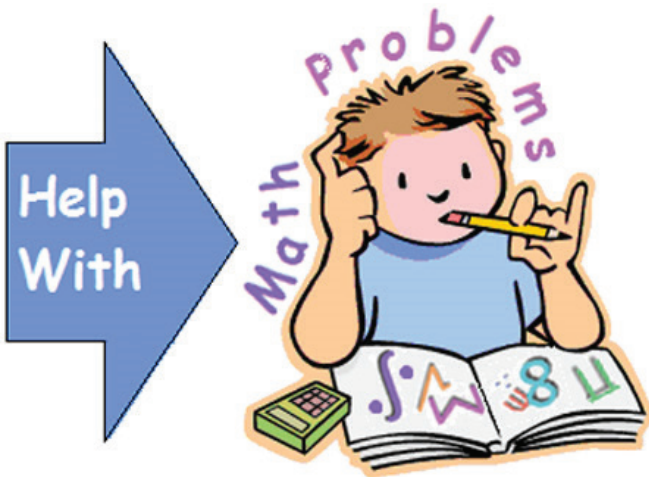

All students should have their own scientific calculator for use in class every day. Years 7 and 9 will need to have their own calculator for the NAPLAN tests in week 3.

Kandos High School students, and the Maths faculty prefer to use the Casio fx-82au plus or fx-82au plus II.

If you need to buy a calculator, make sure it is the Casio fx-82au plus or fx-82au plus II available from the school office for \$23.

# MATHS HELP

Homework is a valuable part of schooling, it establishes habits of study, concentration and self-discipline.

To assist students, the Maths faculty are running two free tutorial sessions for students after school this year.

Tutorials will run on Tuesday and Wednesday from 3:30 to 4:30pm. If your child needs some help with their maths, they may come for all or some of that time.

The Mathematics faculty thanks you for your assistance to help your child build these good habits and improve their Mathematical skills.

# HELPING PARENTS HELP THEIR TEENAGERS: SPREAD THE WORD ABOUT REACHOUT PARENTS COACHING

For a parent, trying to guess what's going on with a teenager's mental health and wellbeing is tough. Many parents turn to school professionals when they become concerned about their teenager's behaviour, whether it's being non-communicative, anxious or dealing with issues like relationships.

Our free online coaching service is a great place to refer parents to. ReachOut Parents Coaching makes it easy for parents to talk to an expert confidentially without even leaving home, and build a plan to support their child throughout their teenage years.

'I'd highly recommend coaching. It really improved my bond with my daughter – we've built up trust again,' says Kirsten, mum of a 14-year-old from New South Wales.

Can you can help us spread the word to parents on school newsletters and communications?  
Please email [marketing@ReachOut.com](mailto:marketing@ReachOut.com).

Hit the button below to register as a parent, or professionals can refer parents directly by emailing [coaching@ReachOut.com](mailto:coaching@ReachOut.com).
