

# EASTER HAT PARADE & EGGORAMAS

Parents and Carers are invited to join us on,  
Thursday 28 March 2024  
For our Easter Hat Parade at 2.00pm

## Easter Hats

We would like students in Kindergarten to Year 4 to make an Easter Hat at home with parental assistance.

To keep the cost at a minimum, we encourage students to make the hat from recycled materials.

There will be awards for different categories of creativity on the day! The awards will be for most colourful hat, fluffiest hat, tallest hat, chocciest hat and chickiest hat. There are lots of ideas and templates online, or you can design your own.

Younger siblings are most welcome to make a hat and participate in the parade.

## Eggorama

Stage 3 students will have their eggoramas displayed at the parade.

**What to wear:** Students are to dress in Mufti for the day

**What to bring:** Students in Kindergarten, Year 1, Year 2, Year 3 and Year 4 are to bring their hats to school on the day.

Students in Year 5 and Year 6 are to bring their eggorama ready to display.

We look forward to seeing you on the day.
