PRINCIPAL'S REPORT

What an incredible Term 3! We have enjoyed Debating and Public Speaking competitions, Education Week open classrooms, Book Week Author visits, camps, incursions, excursions, Science Week experiments, Premier's Reading Challenge, Premiers Sporting Challenge, sporting events, our annual CAPA CAPTIVATE Concert and quality education being delivered by our extraordinary teachers. I would like to take this opportunity to acknowledge the wonderful staff at Riverbank Public School.

Creative and Performing Arts Spectacular

Riverbank's Captivate CAPA Spectacular was a truly magical evening. Thirty acts performed at a professional venue with state-of-the-art sound, lighting and staging. All students shined brightly on stage and performed to an audience of over 1950 school community members. We thank our CAPA teachers for their creativity and endless dedication to ensure our students are provided with exceptional opportunities at RPS. Thank you to our P&C school community for supporting our event. We are very proud of our students, they are superstars. 🌟🌟🌟

Footy Colours Day

Students wore their footy colours to support the fight against cancer. A total of \$1,650 was raised to support Cancer Foundation's educational support programs, allowing children with cancer to learn while they receive and recover from treatment.

Year 5 Camp

Students in Year 5 thoroughly enjoyed their time at The Great Aussie Bush Camp this week. A shout out to students for challenging themselves and their teamwork during their recent camp adventures. Thank you to our dedicated teachers.

Important dates:

9 October 2023 – Applications open

20 November 2023 – Applications close

4 May 2024 – Selective High School Placement Test

Boundary Change and Moving Outside the School Catchment Zone

Due to the continued and sustained growth in new housing, adjustments to some school intake areas are necessary to ensure the best placement of students and their families. Riverbank Public School's intake area (catchment) has been adjusted effective from Term 2 2023. Please refer to the School Finder <https://schoolfinder.education.nsw.gov.au> for these changes. If your child is already enrolled as a local student based on a previous intake area, they do not have to change schools. You have the choice to keep them at their existing school or move them to the school you are now allocated to.

If you relocate outside the Riverbank Public School catchment, unfortunately we are unable to enrol younger siblings.

SASS Week

Every day, we are thankful for the extraordinary SAS Staff we have at Riverbank PS. Thank you for everything you do for our students and school.

Annual School Colour Fun Run Fundraiser

We are looking forward to our School Colour Fun Run this Friday.

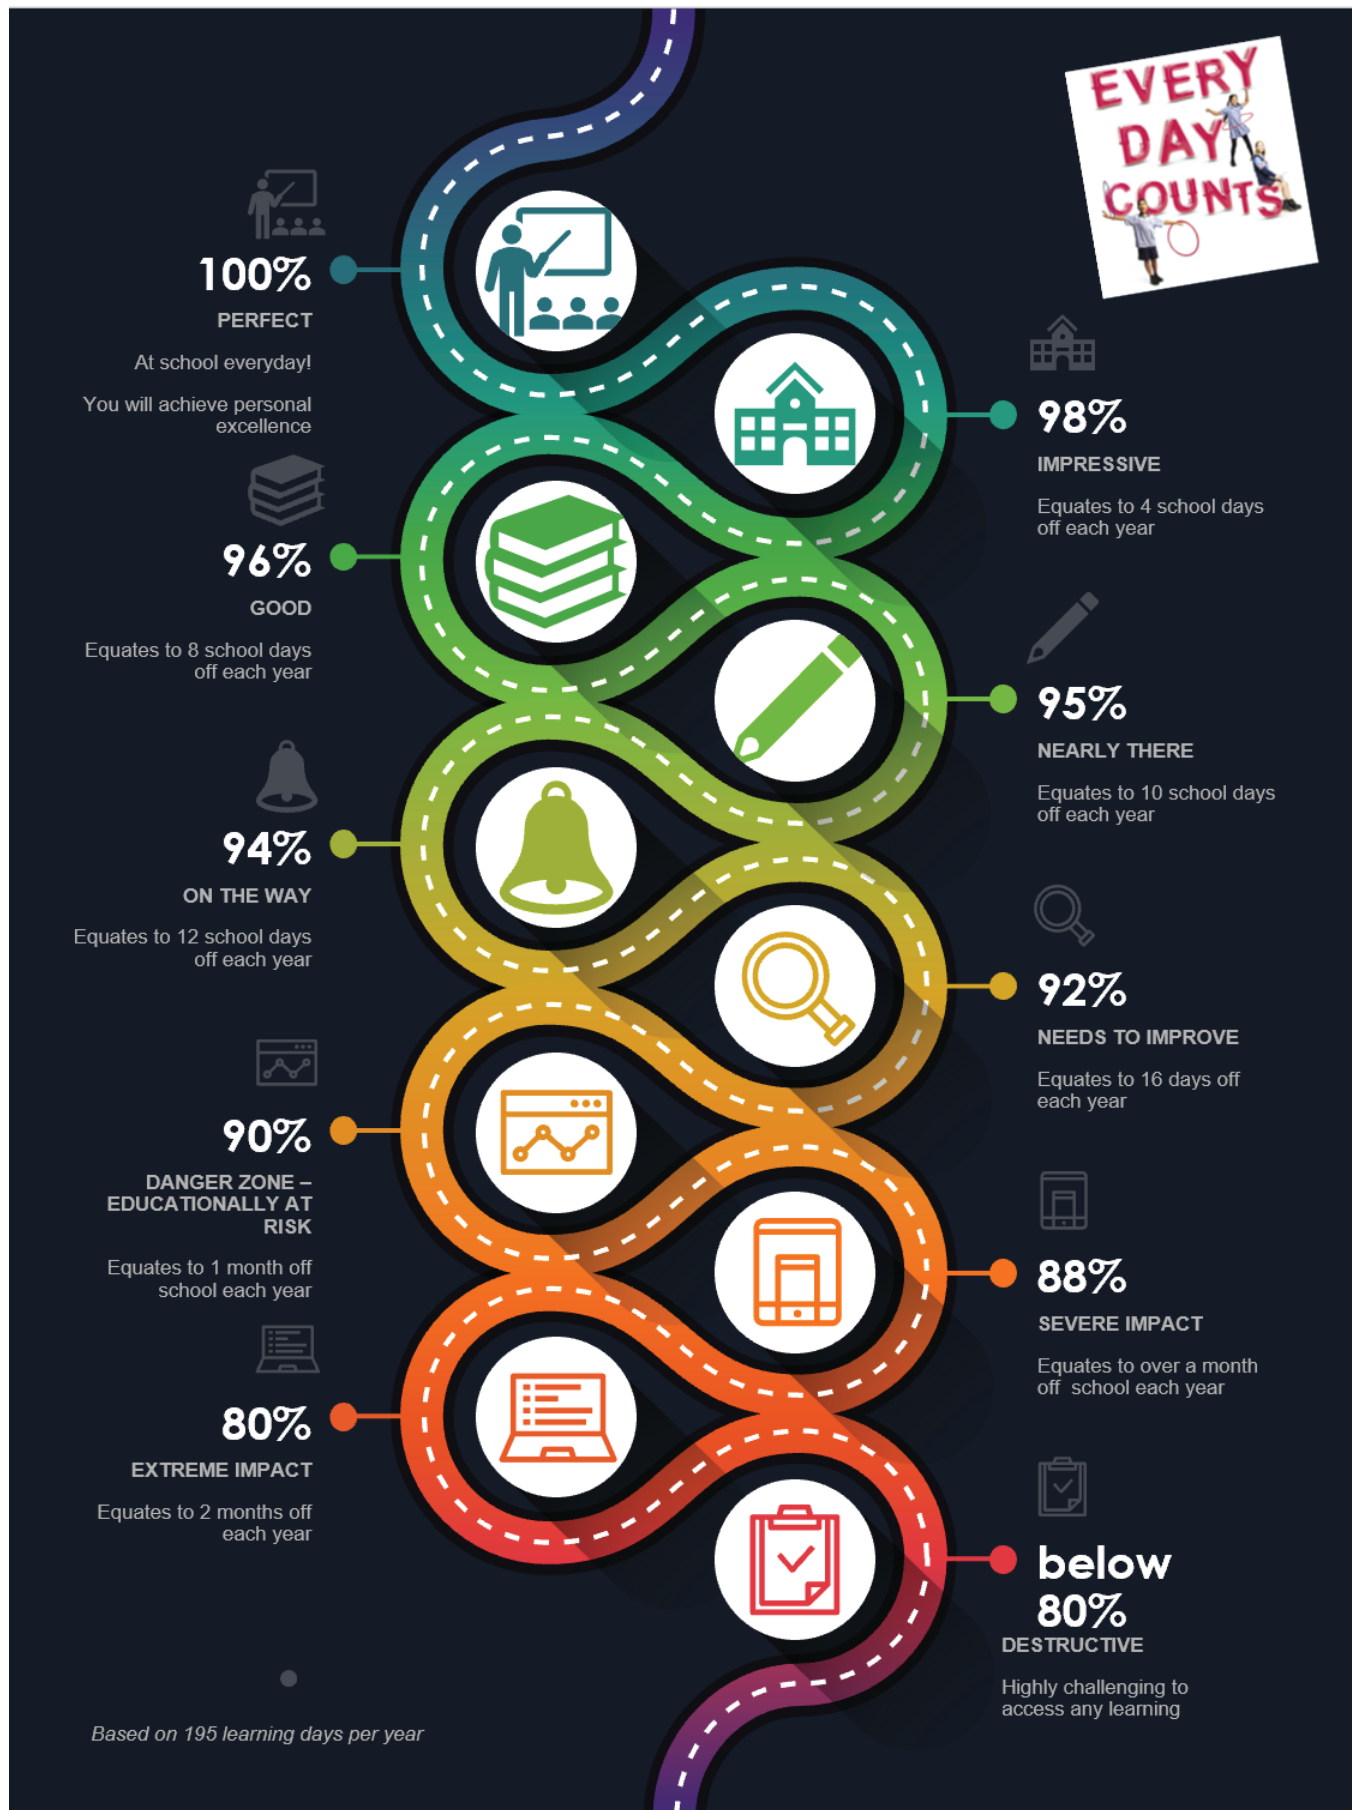

Wishing all students and families a wonderful spring break.

Mrs Jeanie Brown

Principal

Students return to school on Monday 9 October in summer uniform. (NO Staff Development Day)

Facebook

Riverbank Public School has its own Facebook page where we celebrate student's achievements. Parents are unable to post any news items but can comment on reports and photos. The page is designed to keep the community up to date regarding all the wonderful things that happen at Riverbank Public School.

Twitter

In addition to Facebook, Riverbank Public School use Twitter to share events as they happen throughout the school. You can follow us on Twitter [@RiverbankPublic](https://twitter.com/RiverbankPublic).

Restorative Practices

Restorative Practices form the relational basis for Quality Teaching and Learning at Riverbank Public School. Our Restorative Practice Framework, because of its explicit nature, offers a common language and practice capable of fostering healthy relationships.

Student achievement is enhanced through Restorative values being embedded as a way of being and learning together. Our approach fosters individual responsibility and helps develop empathy. Inappropriate behaviour or choices and mistakes can be viewed as an opportunity for insight, learning and development in both the academic and social domains.

The explicit framework is inextricably linked to the Quality Teaching Framework and includes the following sets of questions to be asked by children, teachers, and parents.

When Things Go Wrong.... When Someone Has Been Hurt

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you may do to make things right?
- What did you think when you realised what happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?

The process is empowering as it takes students from the past to the present and gives them hope for the future. It empowers them to make things right and heal any harm that has been done.

A restorative classroom setting is one that values dialogue through an inclusive approach where everyone expects to be heard and through this participatory process, students develop the capacity to learn that emotions are an important and legitimate expression of healthy dialogue. This process helps students to deal with conflict, tensions and difference in respectful ways that engender trust and foster healthy relationships.

School Motto

The school's motto, 'Learning to Live, Living to Learn', reinforces a broad and enriching curriculum, which not only focuses on the development of literacy and numeracy skills but also on the social and emotional wellbeing of the students whilst respecting a culturally diverse community.

Riverbank Public School Code of Behaviour

- We share the voice space by listening actively to others and expressing ourselves confidently.
- We follow instructions by being in the right place, at the right time, doing the right thing.
- We use build-ups by saying encouraging, affirming things to others.
- We keep our hands, feet, and objects to ourselves so that everyone is safe.
- We own our own behaviour because we choose how we behave.

Our Help Increase the Peace (HIP) Keys – School Rules:

Our school values will incorporate the 'Help Increase the Peace Keys' to promote a harmonious, nurturing, and challenging living and learning environment.

The HIP program offers a whole school approach to building relationships through communication, co-operation, trust building and conflict resolution.

Library Update

Each week, students have the opportunity to visit the library to return and borrow books. The Library is open before school on Monday and Tuesdays and after school on Monday, Tuesday, Thursday and Fridays. Please remember your library bags!

2023 CBCA Book Awards: During library lessons, students have been exploring the shortlisted, winner, and honour books from the Childrens' Book Council Awards.

K-2 students participated in our own Riverbank judging in the Picture Book Category. Students placed a counter in the box of their favourite CBCA Picture Book from the six shortlisted books. Our K-2 Riverbank Favorite Books were: *Where the Lyrebird Lives*, *Lionel and Me*, *Bev and Kev*.

Book Club- Issue 7: The next issue of Book Club will be available early next term. Book club is a fabulous way to order books for your children, and perhaps get a bit of Christmas shopping done early. It also benefits our school library through earning reward points that can be used for the purchase of new books.

Overdues: There are currently 932 overdue loans. A reminder that students may return their books anytime in the large white returns box which is outside the library.

RPS Medical Procedures

Prescribed Medication:

When a medical practitioner has prescribed medication that must be administered during the school day, parents/carers must:

- notify the school.
- provide up to date information as required.
- supply the medication and any 'consumables' necessary for its administration in a timely way.
- complete the Riverbank Public School Medical Permission Note (please see the office for a copy of this note).

The administration of prescribed medication in schools is carried out by staff who volunteer and who are trained. Students must not carry medication unless there is a written agreement between the school and the student's parents/carers.

Individual Health Care Plans:

An individual health care plan must be developed for:

- severe asthma, type 1 diabetes, epilepsy, and anaphylaxis
- any student who is diagnosed as having a condition that may require an emergency response.
- any student who requires the administration of health care procedures

If your child has any health conditions and does not already have an existing individual health care plan, please contact the office to collect the required forms.

If your child has an adrenaline auto injector (EpiPen) prescribed by a medical practitioner, an [Action Plan for Anaphylaxis](#) must be completed. If the school does not have a current, Action Plan for Anaphylaxis please have your child's doctor complete one immediately.

If your child has allergic reactions where no adrenaline autoinjector is prescribed by a medical practitioner, an [Action Plan For Allergic Reactions](#) must be completed. If the school does not have a current Action Plan for Allergic Reactions, please have your child's doctor complete one immediately.

If your child has been prescribed by a medical practitioner as having asthma, an [Asthma Action Plan](#) is required. If the school does not have a current Asthma Action Plan, please have your child's doctor complete one immediately.

Lost Property

Our lost property tubs are located outside the staffroom and are checked daily by staff. Lost property which is labelled will be returned to students the following day.

Please ensure that all uniforms, lunchboxes, and water bottles are labelled with your child's name.

Dropping Off and Picking Up students

A 'Kiss and Ride Zone' or 'Drop-off and Pick-up' area utilises existing 'No Parking' zones around schools. In these areas, drivers may stop to drop off or pick up children, however **No Parking** rules apply:

- Maximum stop time is 2 minutes.
- Driver must remain in or within 3 metres of the vehicle.
- Vehicle must not be left unattended.

Additional safety tips for school zones:

- Always drop-off or pick-up your child from the designated area, following the school's procedures.
- Make sure children use the footpath-side door when getting in and out of a car.
- Make sure the hand brake is applied when the vehicle is stationary.
- Never double park
- Never Park across a pedestrian crossing
- Never undertake a U-turn near the school.

Safety Tips for Students:

- Stay buckled up until the vehicle has stopped in the 'Drop-off and Pick-up' area.
- Make sure your school bag and other items are in a safe position, e.g., on the floor.
- Be ready to get out of the car with your belongings when the car has stopped, and you have unbuckled your seatbelt.
- Always get in and out of the backseat of the vehicle through the safety door - the rear footpath-side door.

No Stopping

What does it mean? You cannot stop in this area FOR ANY REASON (including queuing or waiting for space).

Why is it there? Keeps clear sight lines between drivers and children/pedestrians.

Penalty \$330 + 2 Demerit Points (School Zone)

No Parking

What does it mean? You can stop in a NO PARKING zone for a maximum of two minutes to drop off and pick up passengers. If no spaces are available, you cannot queue on the roadway or in any other zones while waiting for a space. You will need to drive away and park elsewhere, only returning when there is space to pull up.

You must always stay within three metres of your vehicle.

Why is it there? To provide a safe place for children/pedestrian set down and pick up.

Penalty \$183 + 2 Demerit points (School Zone)

Bus Zone

What does it mean? You must not stop or park in a bus zone for any reason (including queuing or waiting for a space) unless you are driving a bus.

Why is it there? To provide a safe place for large buses to set down and pick up school children.

Penalty \$330 + 2 Demerit Points (School Zone)

Pedestrian Crossings

You must not stop within 20 metres before a pedestrian crossing or 10 metres after a crossing unless there is a control sign permitting parking.

Why is it there? To ensure that children can be clearly seen by vehicles approaching the crossing.

Penalty \$439 + 2 Demerit Points (School Zone).

Footpaths, Driveways and Nature Strips

You must not stop on any footpath or nature strip, or even a driveway crossing a footpath or nature strip FOR ANY REASON.

Why is it there? You could easily run over a child or force pedestrians onto the road to get around you.

Penalty \$183 + 2 Demerit points (School Zone)

Double Parking

You must not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers.

Why is it there? Double parking forces other cars to go around you cause traffic congestion and reduces the view of drivers and children crossing the road.

Penalty \$330 Demerit points (School Zone)

The school is very fortunate to have dedicated volunteers who assist in the safe pick-up of students in this area. Please follow any instruction given to you by these volunteers in order to keep the children safe.
