Remembrance Day Service

Our whole school community commemorated Remembrance Day, in honour of those who have paid the ultimate sacrifice in wars and conflicts. We also thank those defence personnel who served, and continue to serve, our country. Cadets from the Ponds HS joined our ceremony. Mr Richard Lawford, from Riverstone-Schofields RSL sub-Branch, reflected on the sacrifices that countless men and women have made through their service in the armed forces. Students observed a minute's silence in memory of those who died or suffered in all wars and armed conflicts. The Stage 2 Choir beautifully sang the 'Spirit of the Anzacs'. Wreaths were laid by leaders and members of the school community.

Students and staff had the pleasure of singing our school song for the first time. All 2200 voices sang with pride. Our school leaders accompanied Mrs Brown to the Riverstone-Schofields RSL sub-Branch on November 11 for their Remembrance Day Service.

Riverbank Public School Song

It is with great pleasure I share our school song.

	Our voices are so proud Showing our HIP Key Values We're learning to live And living to learn	Opportunities Are here for everybody Believing in each other For you and me
	Chorus We expect the best We show respect We care for each other Friendships, diversity, in harmony	Chorus We expect the best We show respect We care for each other Friendships, diversity, in harmony
	Let's share our dreams together At Riverbank Public School Let's share our dreams together Riverbank is our School	Let's share our dreams together At Riverbank Public School Let's share our dreams together Riverbank is our school

I have had the pleasure of collaborating with senior students and dedicated teachers to create lyrics that deeply reflect our school values. My thanks to Mr Ross, Ms Pearson, Mr Chan, Mrs Molnar, Mrs Calabrese and Ms Waller for their collaboration over the last few months. A dynamic and very talented team!

Our students and teachers had the pleasure of launching our song during last week's Remembrance Day Service.

2024 Kindergarten Transition to School

Last week, we welcomed 210 Kindergarten children and their families who will be joining our school community in 2024. Our 2024 Kindergarten students thoroughly enjoyed visiting their classrooms, singing songs, reading stories, playing together and forming new friendships. They even met our school mascot, Rory!

NSWPSSA Cricket Knockout Competition

As part of the NSWPSSA Knockout Cricket Competition, Riverbank competed in the state quarter-finals against Waitara. Riverbank was victorious with a score of 6/170 against Waitara's 6/135, with both sides demonstrating a superb batting display throughout the match. The game was played with outstanding sportsmanship. Our students consistently demonstrated a range of HIP key values through their teamwork and support for each other and their encouragement of their opposition throughout the match.

We now advance to the state semi-finals in Bathurst against Young Public School.

2025 Selective High School Information – Year 7 Entry in 2025

Selective High Schools provide a learning environment designed for academically gifted and high potential students.

For more information go to - [Selective High Schools and Opportunity Classes](#)

Important dates:

9 October 2023 – Applications open

20 November 2023 – Applications close

4 May 2024 – Selective High School Placement Test

Boundary Change and Moving Outside the School Catchment Zone

Due to the continued and sustained growth in new housing, adjustments to some school intake areas are necessary to ensure the best placement of students and their families. Riverbank Public School's intake area (catchment) has been adjusted effective from Term 2 2023. Please refer to the School Finder <https://schoolfinder.education.nsw.gov.au> for these changes. If your child is already enrolled as a local student based on a previous intake area, they do not have to change schools. You have the choice to keep them at their existing school or move them to the school you are now allocated to.

If you relocate outside the Riverbank Public School catchment, unfortunately we are unable to enrol younger siblings.

Planning for 2024

I am busy planning in preparation for next year. To allow the school to plan as effectively as possible, we would like those families who know they will not be returning in 2024 to confirm these details as soon as possible. A form has been sent out via School Bytes. If you are aware that your child will return to school late next year, I ask that you confirm these details immediately. It is important for all students to return on day 1 of the new school year. Taking leave at this time of a new school year can have a significant impact on the formation of classes and the school's enrolment audit.

We are anticipating 2200 students, with 83 mainstream classes and 4 Inclusive Education classes.

The first day of the 2024 school year is Thursday 1 February for Years 1-6 and Monday 5 February for kindergarten.

2023 Annual Parent Survey

Facebook

Riverbank Public School has its own Facebook page where we celebrate student's achievements. Parents are unable to post any news items but can comment on reports and photos. The page is designed to keep the community up to date regarding all the wonderful things that happen at Riverbank Public School.

Twitter

In addition to Facebook, Riverbank Public School use Twitter to share events as they happen throughout the school. You can follow us on Twitter [@RiverbankPublic](https://twitter.com/RiverbankPublic).

Restorative Practices

Restorative Practices form the relational basis for Quality Teaching and Learning at Riverbank Public School. Our Restorative Practice Framework, because of its explicit nature, offers a common language and practice capable of fostering healthy relationships.

Student achievement is enhanced through Restorative values being embedded as a way of being and learning together. Our approach fosters individual responsibility and helps develop empathy. Inappropriate behaviour or choices and mistakes can be viewed as an opportunity for insight, learning and development in both the academic and social domains.

The explicit framework is inextricably linked to the Quality Teaching Framework and includes the following sets of questions to be asked by children, teachers, and parents.

When Things Go Wrong.... When Someone Has Been Hurt

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you may do to make things right?
- What did you think when you realised what happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?

The process is empowering as it takes students from the past to the present and gives them hope for the future. It empowers them to make things right and heal any harm that has been done.

A restorative classroom setting is one that values dialogue through an inclusive approach where everyone expects to be heard and through this participatory process, students develop the capacity to learn that emotions are an important and legitimate expression of healthy dialogue. This process helps students to deal with conflict, tensions and difference in respectful ways that engender trust and foster healthy relationships.

School Motto

The school's motto, 'Learning to Live, Living to Learn', reinforces a broad and enriching curriculum, which not only focuses on the development of literacy and numeracy skills but also on the social and emotional wellbeing of the students whilst respecting a culturally diverse community.

Riverbank Public School Code of Behaviour

- We share the voice space by listening actively to others and expressing ourselves confidently.
- We follow instructions by being in the right place, at the right time, doing the right thing.
- We use build-ups by saying encouraging, affirming things to others.
- We keep our hands, feet, and objects to ourselves so that everyone is safe.
- We own our own behaviour because we choose how we behave.

Our Help Increase the Peace (HIP) Keys – School Rules:

Our school values will incorporate the 'Help Increase the Peace Keys' to promote a harmonious, nurturing, and challenging living and learning environment.

The HIP program offers a whole school approach to building relationships through communication, co-operation, trust building and conflict resolution.

STEAM Update

In STEAM this term, Years 3 and 4 are studying Food and Fibre production. After studying the journey involved in the production of important and sustainable products, they embarked on a water irrigation system design and production task. Collaborating productively, sharing their problem-solving brains, students have built and tested out their working models.

This authentic learning together proved great results in the various facets of STEAM and the various thinking skills.

- notify the school.
- provide up to date information as required.
- supply the medication and any 'consumables' necessary for its administration in a timely way.
- complete the Riverbank Public School Medical Permission Note (please see the office for a copy of this note).

An individual health care plan must be developed for:

- severe asthma, type 1 diabetes, epilepsy, and anaphylaxis

- any student who requires the administration of health care procedures

If your child has any health conditions and does not already have an existing individual health care plan, please contact the office to collect the required forms.

If your child has an adrenaline auto injector (EpiPen) prescribed by a medical practitioner, an [Action Plan for Anaphylaxis](#) must be completed. If the school does not have a current, Action Plan for Anaphylaxis please have your child's doctor complete one immediately.

If your child has allergic reactions where no adrenaline autoinjector is prescribed by a medical practitioner, an [Action Plan For Allergic Reactions](#) must be completed. If the school does not have a current Action Plan for Allergic Reactions, please have your child's doctor complete one immediately.

If your child has been prescribed by a medical practitioner as having asthma, an [Asthma Action Plan](#) is required. If the school does not have a current Asthma Action Plan, please have your child's doctor complete one immediately.

Lost Property

Our lost property tubs are located outside the staffroom and are checked daily by staff. Lost property which is labelled will be returned to students the following day.

Please ensure that all uniforms, lunchboxes, and water bottles are labelled with your child's name.

Dropping Off and Picking Up students

A 'Kiss and Ride Zone' or 'Drop-off and Pick-up' area utilises existing 'No Parking' zones around schools. In these areas, drivers may stop to drop off or pick up children, however **No Parking** rules apply:

- Maximum stop time is 2 minutes.
- Driver must remain in or within 3 metres of the vehicle.
- Vehicle must not be left unattended.

Additional safety tips for school zones:

- Always drop-off or pick-up your child from the designated area, following the school's procedures.
- Make sure children use the footpath-side door when getting in and out of a car.
- Make sure the hand brake is applied when the vehicle is stationary.
- Never double park
- Never Park across a pedestrian crossing
- Never undertake a U-turn near the school.

Safety Tips for Students:

- Stay buckled up until the vehicle has stopped in the 'Drop-off and Pick-up' area.
- Make sure your school bag and other items are in a safe position, e.g., on the floor.
- Be ready to get out of the car with your belongings when the car has stopped, and you have unbuckled your seatbelt.
- Always get in and out of the backseat of the vehicle through the safety door - the rear footpath-side door.

Why is it there? Keeps clear sight lines between drivers and children/pedestrians.

Penalty \$330 + 2 Demerit Points (School Zone)

No Parking

What does it mean? You can stop in a NO PARKING zone for a maximum of two minutes to drop off and pick up passengers. You will need to drive away and park elsewhere, only returning when there is space to pull up.

You must always stay within three metres of your vehicle.

Why is it there? To provide a safe place for children/pedestrian set down and pick up.

Penalty \$183 + 2 Demerit points (School Zone)

Bus Zone

Penalty \$183 + 2 Demerit points (School Zone)

Double Parking

You must not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers.

Why is it there? Double parking forces other cars to go around you cause traffic congestion and reduces the view of drivers and children crossing the road.

The school is very fortunate to have dedicated volunteers who assist in the safe pick-up of students in this area. Please follow any instruction given to you by these volunteers in order to keep the children safe.
