PRINCIPAL'S REPORT

National Reconciliation Week 27 May – 3 June

National Reconciliation Week (NRW) is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. The theme for National Reconciliation Week 2023, Be a Voice for Generations, encourages all Australians to be a voice for reconciliation in tangible ways in our everyday lives – where we live, work, and socialise. For the work of generations past, and the benefit of generations future, let's choose to create a more just, equitable and reconciled country for all.

2024 Kindergarten Information Sessions

Information sessions will be held on Wednesday 14 June at 6pm in our school hall and then on 22 June at 10am. We invite one parent or carer from each family to attend only one session. These sessions are for parents not students.

Nationally Consistent Collection of Data

Our staff are in the process of preparing and collecting data to submit for the annual Nationally Consistent Collection of Data on School Students with Disability (NCCD). The information collected covers information about Australian school students who receive an adjustment to address a disability. Nationally consistent information on students in Australian schools receiving adjustments for disability enables schools, education authorities, and governments to better understand the needs of students with a disability and how they can be best supported at school.

Box Car Rally One More Sleep

One more sleep!

We participate in the event every two years while also raising awareness to support children and youth living with kidney disease. In 2021, all students joined in the fun by making a box car.

Students are to bring a gold coin as a donation. In 2021, we raised over \$2500 for this valuable cause and our target is to increase the amount we donate this year.

All students in K-6 will build their own box car at home and bring them along on the day to compete in some fun activities. To build a box car you need a cardboard box that a child can step into and hold up. If you do not have a suitable box, you may be able to get one from a retail business. The box is then decorated at home to look like a car. Some children may wish to have straps added to go over their shoulders to help hold the car up while they participate in the rally.

Circus Berserkus

Each year our Year 6 students organise a Circus Berserkus to raise funds for their end of year activities. The event will be held on Thursday 15 June.

Cost of the tickets are \$5 and can be purchased before school on the basketball court from 8:15 – 8:45am during weeks 6 and 7.

Synergy Dance Festival

We are looking forward to the Synergy Dance Festival on Wednesday 14 June. All the best to our Troupe dance group.

World Environment Day

On Monday June 5 we acknowledge World Environment Day, an international day of environmental awareness and action. Started in 1974 by the United Nations, each year WED is hosted in a different country, with events focusing on a central theme. World Environment Day is the biggest international day for the environment. Led by the United Nations Environment Programme, and held annually since 1973, it has grown to be the largest global platform for environmental outreach. It is celebrated by millions of people across the world.

World Environment Day 2023 is hosted by Côte d'Ivoire and supported by the Netherlands and the theme will focus on solutions to plastic pollution under the campaign #BeatPlasticPollution. It is a reminder that people's actions on plastic pollution matters. The steps governments and businesses are taking to tackle plastic pollution are the consequence of this action. Join millions around the world to [#BeatPlasticPollution](#).

Parent Open Classroom Morning

Student Goal Sharing Wednesday 21 June 8:15am to 8:45am

As stated in our parent engagement calendar, we look forward to welcoming parents into classrooms on Wednesday 21 June from 8:15 to 8:45am. We request only one parent attends per student.

Visible Learning Open Classrooms

K-6 Student Goal Sharing

One parent or carer invited into their child's classroom where students will share their work and learning goals.

Waste Free Wednesday

All students are encouraged to bring a waste free lunch box and drink bottle every Wednesday to school.

Operation Art

The Operation Art program is a way of involving young people in the special work of The Children's Hospital at Westmead. This wonderful community initiative has been running for almost 30 years and produces some of the most endearing and heart-warming artworks on display in the Hospital.

Congratulations to our winners:

Jellyfish- Theona KR

Bee - Hrithika 1K

Emu- Sargun 4C

Elephant - Avani 5E

Extended Leave

If you wish to apply for extended leave, this must be completed at least 2 weeks prior to the start of the leave date. At this time of year, there are multiple leave forms to process. We ask that you please be patient and our school office will action these requests as soon as possible.

Reminder for Parents

If your child is late to school (from 8.45am) a parent MUST sign them in at the school office.

Online Reports

Riverbank Public School uses Sentral (Sentral is Australia's most comprehensive cloud-based school management platform trusted by more than 3,000 schools) internally to check attendance, complete student reports and record wellbeing. In 2020 Semester 2, Riverbank started publishing student reports through the Parent Portal online as the only method to access reports. Parents who used the Parent Portal in 2022 remain set up for 2023. Information on how to access the Parent Portal have been sent home to new families as well as access keys to families with additional children now attending the school.

Boundary Change and Moving Outside the School Catchment Zone

Due to the continued and sustained growth in new housing, adjustments to some school intake areas are necessary to ensure the best placement of students and their families. Riverbank Public School's intake area (catchment) has been adjusted effective from Term 2 2023. Please refer to the school Finder <https://schoolfinder.education.nsw.gov.au> for these changes. If your child is already enrolled as a local student based on a previous intake area, they do not have to change schools. You have the choice to keep them at their existing school or move them to the school you are now allocated to.

If you relocate outside the Riverbank Public School catchment, unfortunately we are unable to enrol younger siblings.

Temporary Visa

Under the Department of Education's [Enrolment of Students in NSW Government Schools](#) policy, all government schools in NSW have a designated local enrolment area with a pre-determined geographical boundary. Students who live within this boundary are entitled to be enrolled at the school. However, International students and students who are temporary residents are not assured enrolment at the school aligned to their home residence and will only be accepted if the school can accommodate the enrolment. This ensures that there are enough places for students who are Australian citizens or permanent residents who reside in their local enrolment area.

Riverbank Public School is unable to accept international students or temporary residents as we are above our enrolment capacity.

Creative and Performing Arts Spectacular – Save the date

Our Creative and Performing Arts groups are rehearsing for our CAPA Spectacular evening to be held on Wednesday 13 September at the Hillsong Convention Centre.

Parent Communication

We use a variety of platforms to communicate information about upcoming events and highlight the great things that happen at Riverbank Public School.

School Enews App

Important notifications are posted and emailed on the School Enews App. School Enews is a free app available for all mobile devices. Just download the app from the App Store or Play Store by searching for Riverbank Public School. Please ensure that push notifications alerts are turned on so that you can receive information as soon as it is distributed.

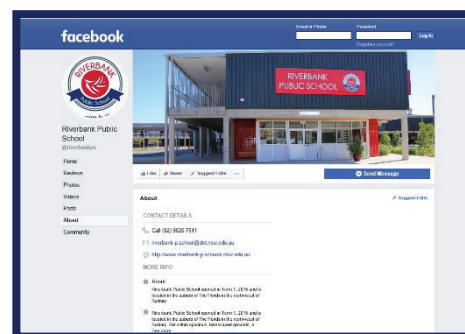

School Website

Our school website is updated frequently. Some notes such as the Canteen Price List, Uniform Shop and our newsletter are all available online. Our school website is <https://riverbank-p.schools.nsw.gov.au>

Facebook

Riverbank Public School has its own Facebook page where we celebrate student's achievements. Parents are unable to post any news items but can comment on reports and photos. The page is designed to keep the community up to date regarding all the wonderful things that happen at Riverbank Public School.

Twitter

In addition to Facebook, Riverbank Public School use Twitter to share events as they happen throughout the school. You can follow us on Twitter [@RiverbankPublic](https://twitter.com/RiverbankPublic).

Restorative Practices

Restorative Practices form the relational basis for Quality Teaching and Learning at Riverbank Public School. Our Restorative Practice Framework, because of its explicit nature, offers a common language and practice capable of fostering healthy relationships.

Student achievement is enhanced through Restorative values being embedded as a way of being and learning together. Our approach fosters individual responsibility and helps develop empathy. Inappropriate behaviour or choices and mistakes can be viewed as an opportunity for insight, learning and development in both the academic and social domains.

The explicit framework is inextricably linked to the Quality Teaching Framework and includes the following sets of questions to be asked by children, teachers, and parents.

When Things Go Wrong.... When Someone Has Been Hurt

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you may do to make things right?
- What did you think when you realised what happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?

The process is empowering as it takes students from the past to the present and gives them hope for the future. It empowers them to make things right and heal any harm that has been done.

A restorative classroom setting is one that values dialogue through an inclusive approach where everyone expects to be heard and through this participatory process, students develop the capacity to learn that emotions are an important and legitimate expression of healthy dialogue. This process helps students to deal with conflict, tensions and difference in respectful ways that engender trust and foster healthy relationships.

School Motto

The school's motto, 'Learning to Live, Living to Learn', reinforces a broad and enriching curriculum, which not only focuses on the development of literacy and numeracy skills but also on the social and emotional wellbeing of the students whilst respecting a culturally diverse community.

Riverbank Public School Code of Behaviour

- We share the voice space by listening actively to others and expressing ourselves confidently.
- We follow instructions by being in the right place, at the right time, doing the right thing.
- We use build-ups by saying encouraging, affirming things to others.
- We keep our hands, feet, and objects to ourselves so that everyone is safe.
- We own our own behaviour because we choose how we behave.

Our Help Increase the Peace (HIP) Keys – School Rules:

Our school values will incorporate the 'Help Increase the Peace Keys' to promote a harmonious, nurturing, and challenging living and learning environment.

The HIP program offers a whole school approach to building relationships through communication, co-operation, trust building and conflict resolution.

YELLOW KEY Care for Others

GREEN KEY Think Before Reacting

BLUE KEY Respect Yourself

RED KEY Work Together for a Non-Violent Way

BLACK KEY Expect the Best

Sport Houses

There are Four Sports Houses that reflect the wonderful view the school has of the Blue Mountains.

Team Name	Named After	Famous For	Team Colour
PIDINGTON	Mount Piddington	One of the highest peaks and is very famous for rock climbing.	BLUE (For the abundance of Eucalypts that give the mountains their blue colour)
TOMAH	Mount Tomah	Is very famous not only for its height but the Botanical Gardens.	GREEN (For the gardens)
BOYCE	Mount Boyce	Is almost the highest point in the mountains and is famous for a major Bureau of Meteorology station.	RED (For the flowering red natives: Waratah, Lambertia or Mountain Devil and Red Grevillia)
YORK	Mount York	Is very famous because it is where Blaxland, Lawson and Wentworth first saw the western plains.	YELLOW (For the viewing of the western plains by the explorers)

Creative and Performing Arts (CAPA)

We are excited to showcase three of our Creative and Performing Art groups below.

Kindergarten Dance Group Pink

Kindy Pink Dance Group meet every Friday recess to get their groove on and dance. The students have been focusing on learning choreography for a special dance to the Zootopia song 'Try Everything'. Miss Campbell and Ms Pearce are excited to see how well the dance group is learning the moves. We look forward to showcasing our spectacular dance later in the year.

Year 1 Dance Group Blue

Year 1 Blue Dance Group have been very keen to come to dance rehearsals every Tuesday. They are having fun learning the choreography to Megan Trainor's 'Better When I'm Dancin''. Dance Group Blue are working hard to remember the steps they have learned and love to add suggestions for more steps. They can't wait for their performance later this year.

Year 2 Dance Group Green

This term, the Year 2 Green Dance Group are having a fun time practising their dance routine to the song 5,6,7,8 by Steps. They show up to practice each week ready to rehearse their dance moves enthusiastically. They are absolutely sure that your toes will be tapping while you watch their amazing performance.

STEAM Update – Game Changers

Throughout Semester 1, Riverbank have had two teams participating in the Game Changer challenge. The challenge invites students from across New South Wales to consider how they would solve some of the big problems facing our world today and then connects them with resources from around the world to potentially see their ideas become reality.

For this year's challenge, students were asked to invent or innovate something that will change our world and leave a lasting impact. The students used design thinking and their understanding of the local community to discuss a local issue and a solution that they could scale to help people globally.

Through commitment, teamwork and detailed research, our teams decided to address issues surrounding public transportation and water pollution in our local community and developed innovative solutions based on their understanding of historical approaches to these complex issues, both in Australia and abroad.

They also created short videos that outlined their understanding of the topic and how their research informed their problem-solving approach which will now be judged as part of the competition's selection process. We look forward to hearing how our students went later this term and hope that they will continue to be lifelong learners with a love for tackling the challenging problems our world faces.

Library Update

Book Club

Book Club Issue 4 is out now! Please have all orders submitted by June 10th. Remember we only accept online payments via the loop. Issue 4 Book Club

National Simultaneous Storytime

Last week, Riverbank took part in the National Simultaneous Storytime #NSS2023, an annual event held by the Australian Library and Information Association. Every year a picture book, written and illustrated by an Australian author is read simultaneously. The event aims to promote the value of reading and literacy. This year, the book was "The Speedy Sloth" and over 2 million readers read it at the same time! Kindy celebrated by dressing up as an animal! Thank you, Mrs Rimmer for organising this fun event.

Library Lessons

In the lead up to Book Week (in Term 3), students in Yrs 1-6 have been reading the shortlisted books from the Children's Book Council of Australia during their Library lessons.

The first book we looked at for Years 3-6 was 'Runt' by Craig Silvey. Runt is a wonderful story about never giving up and bringing out the best in others.

Georgia in 5W, a passionate reader was the first to borrow Runt and here is her review.

"Runt is an amazing book about a little girl and her dog who live on a farm. They always face their fears and try hard to achieve their accomplishments."

Georgia loved this book so much; she convinced her parents to buy a copy!

Reminders

Overdue books - there are many! The returns box is always open!

RPS Medical Procedures

Prescribed Medication:

When a medical practitioner has prescribed medication that must be administered during the school day, parents/carers must:

- notify the school.
- provide up to date information as required.
- supply the medication and any 'consumables' necessary for its administration in a timely way.
- complete the Riverbank Public School Medical Permission Note (please see the office for a copy of this note).

The administration of prescribed medication in schools is carried out by staff who volunteer and who are trained. Students must not carry medication unless there is a written agreement between the school and the student's parents/carers.

Individual Health Care Plans:

An individual health care plan must be developed for:

- severe asthma, type 1 diabetes, epilepsy, and anaphylaxis
- any student who is diagnosed as having a condition that may require an emergency response.
- any student who requires the administration of health care procedures

If your child has any health conditions and does not already have an existing individual health care plan, please contact the office to collect the required forms.

If your child has an adrenaline auto injector (EpiPen) prescribed by a medical practitioner, an [Action Plan for Anaphylaxis](#) must be completed. If the school does not have a current, Action Plan for Anaphylaxis please have your child's doctor complete one immediately.

If your child has allergic reactions where no adrenaline autoinjector is prescribed by a medical practitioner, an [Action Plan For Allergic Reactions](#) must be completed. If the school does not have a current Action Plan for Allergic Reactions, please have your child's doctor complete one immediately.

If your child has been prescribed by a medical practitioner as having asthma, an [Asthma Action Plan](#) is required. If the school does not have a current Asthma Action Plan, please have your child's doctor complete one immediately.

Lost Property

Our lost property tubs are located outside the staffroom and are checked daily by staff. Lost property which is labelled will be returned to students the following day.

Please ensure that all uniforms, lunchboxes, and water bottles are labelled with your child's name.

Dropping Off and Picking Up students

A 'Kiss and Ride Zone' or 'Drop-off and Pick-up' area utilises existing 'No Parking' zones around schools. In these areas, drivers may stop to drop off or pick up children, however **No Parking** rules apply:

- Maximum stop time is 2 minutes.
- Driver must remain in or within 3 metres of the vehicle.
- Vehicle must not be left unattended.

Additional safety tips for school zones:

- Always drop-off or pick-up your child from the designated area, following the school's procedures.
- Make sure children use the footpath-side door when getting in and out of a car.
- Make sure the hand brake is applied when the vehicle is stationary.
- Never double park
- Never Park across a pedestrian crossing
- Never undertake a U-turn near the school.

Safety Tips for Students:

- Stay buckled up until the vehicle has stopped in the 'Drop-off and Pick-up' area.
- Make sure your school bag and other items are in a safe position, e.g., on the floor.
- Be ready to get out of the car with your belongings when the car has stopped, and you have unbuckled your seatbelt.
- Always get in and out of the backseat of the vehicle through the safety door - the rear footpath-side door.

No Stopping

What does it mean? You cannot stop in this area FOR ANY REASON (including queuing or waiting for space).

Why is it there? Keeps clear sight lines between drivers and children/pedestrians.

Penalty \$330 + 2 Demerit Points (School Zone)

No Parking

What does it mean? You can stop in a NO PARKING zone for a maximum of two minutes to drop off and pick up passengers. If no spaces are available, you cannot queue on the roadway or in any other zones while waiting for a space. You will need to drive away and park elsewhere, only returning when there is space to pull up.

You must always stay within three metres of your vehicle.

Why is it there? To provide a safe place for children/pedestrian set down and pick up.

Penalty \$183 + 2 Demerit points (School Zone)

Bus Zone

What does it mean? You must not stop or park in a bus zone for any reason (including queuing or waiting for a space) unless you are driving a bus.

Why is it there? To provide a safe place for large buses to set down and pick up school children.

Penalty \$330 + 2 Demerit Points (School Zone)

Pedestrian Crossings

You must not stop within 20 metres before a pedestrian crossing or 10 metres after a crossing unless there is a control sign permitting parking.

Why is it there? To ensure that children can be clearly seen by vehicles approaching the crossing.

Penalty \$439 + 2 Demerit Points (School Zone).

Footpaths, Driveways and Nature Strips

You must not stop on any footpath or nature strip, or even a driveway crossing a footpath or nature strip FOR ANY REASON.

Why is it there? You could easily run over a child or force pedestrians onto the road to get around you.

Penalty \$183 + 2 Demerit points (School Zone)

Double Parking

You must not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers.

Why is it there? Double parking forces other cars to go around you cause traffic congestion and reduces the view of drivers and children crossing the road.

Penalty \$330 Demerit points (School Zone)

The school is very fortunate to have dedicated volunteers who assist in the safe pick-up of students in this area. Please follow any instruction given to you by these volunteers in order to keep the children safe.

THE MOTIV8 GAMES

IT'S TIME TO GO FOR GOLD

USING SPORT AS A TOOL TO MOTIV8, INSPIRE & ENTERTAIN CHILDREN IN A SAFE SPORTS DREAMLAND

Dear Parent/s
WE WOULD LOVE TO INVITE YOUR CHILD TO BE PART OF
AUSTRALIA'S NO. 1 MULTI-SPORTS CAMP THESE HOLIDAYS.

When we use the word camp we don't mean sleepover.
Our Motiv8sports events run from 8.30am to 3.30pm and are designed
for K(Prep) - Grade 6 children.

At Motiv8sports there is a reason why the word motiv8 comes before the word
sports. The sports we perform are really important but our primary focus is creating
a sports dreamland where children are not only safe but motiv8ted by our team of energetic
coaches to get in and have a go. Sportsmanship, building resilience, forming new friendships and learning about
teamwork is all part of the Motiv8sports experience.

THE MOTIV8 GAMES are held only once every year and provide campers from across Australia the chance to win Gold.
The Motiv8 Games is a futuristic version of the Olympics with a rock concert style atmosphere. This 2-day multi-sports
event will give campers the opportunity to participate in a long list of non-contact team sports, individual events, showdowns
and team building challenges. This years Motiv8 Games will include 8 x 75 minute sessions including: Future Sports,
Elimin8tors, Tour De Force, The Octathlon, Colosseum, Copa America, Hour of Power and Showdown City.

We take pride in providing the best school holiday camps on the planet. Please scan the QR code below or call
the number listed to learn more about our staff, supervision and safety.

WE HOPE TO SEE YOU AT ONE OF OUR CAMPS THESE HOLIDAYS.
