Kindergarten 100 Days of School Event

Dear Parents and Carers,

Our 100th day of Kindergarten will be on Friday 25th July. It is one of our biggest celebrations of the year! The day will be filled with many fun activities centred around the number 100. Our theme for the day is 'Being 100', where students are invited to dress up as the elderly and the Kindergarten teachers will dress up as students to celebrate their accomplishment of 100 days of learning.

To celebrate this amazing event, our school canteen has organised a Kindergarten Lunch Pack. Attached to this note are details on how to order your child's lunch pack. (Children may bring their own lunch.)

As part of the 100 day celebration, each student will create a mini project. This will provide your child with the opportunity to practice and develop their number sense to 100 and present their project to the class, as part of their Oral Language and Communication program in Week 1 of Term 3. Students are to collect 100 items, which should be small enough to fit inside one clear zip lock bag, bottle or mason jar. Collection ideas include items such as dried beans, marbles, cotton balls, toothpicks, paper clips, rubber bands, birthday candles, macaroni or marshmallows. The possibilities are endless! Examples can be seen below. Please see your child's teacher if you have any questions about this project.

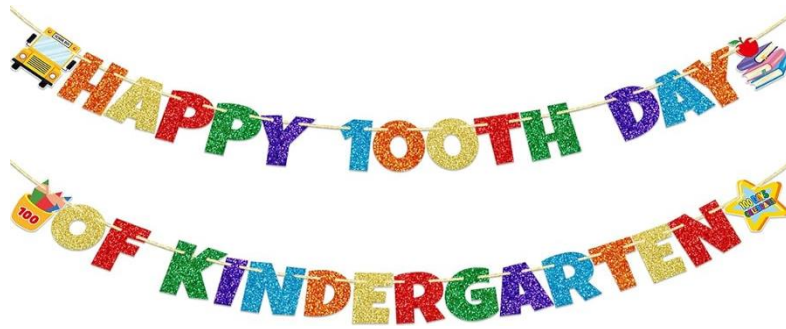

We look forward to participating in this milestone event with your child next term!

Kind Regards,

Mrs Radonjic
