## 2023 Band Program Information

Dear Parents,

To assist with planning the Band Program for 2023, please complete and return this note to school **by Friday, October 28**. Your child will begin the year as a member of the **Intermediate Band**. All students are required to audition for a place in the Concert Band. Each term the tutors will discuss student progress and reflect upon their attendance when considering putting students forward for auditions. If your child is not successful at their audition, they will have an opportunity at the end of each term to be considered for the Concert Band. It is important that you complete this information as we assume all students currently in the Band program will continue in 2023 unless they are leaving the school either to go to High School or another school. Please confirm this information regardless of whether or not you are continuing to allow us to effectively plan for the 2023 intake of new students.
