NEWSLETTER TERM 2, WEEK 8

Dear Parents and Caregivers

Nearly at the end of another term that once again has flown past.

Yesterday teachers shared their successes from this term by bringing along to our meeting student work samples, pre and post assessment scores demonstrating growth in a range of areas. It was exciting to see their passion for their teaching practice and our student achievements. The next 6 months promises to be just as exciting.

Our Semester 1 reporting period is coming to a close and as such the teachers have been busy assessing and completing our report templates. Please remember the following regarding the allocation of grades for every student.

Each report is individualised and the information is all about your child. The grade “sound” means your child is on track, where they should be, this is good! Outstanding and high means that your child has demonstrated above 75% content knowledge [that is within each subject’s activities, tasks and assessments] in every assessment task within the classroom. Basic and limited indicates there is work to be done to meet grade expectations.

Overall Achievement

O	H	S	B	L
---	---	---	---	---

Effort

5	4	3	2	1
---	---	---	---	---

Areas of Learning	Outstanding	High	Sound	Basic	Limited
Working Mathematically			✓		
Number and Algebra			✓		
Measurement and Geometry			✓		
Statistics and Probability			✓		

If you have any concerns about your child's progress please do not hesitate to contact your child's classroom teacher, early next Term. Reports will be sent out during the last week of term. We will also organise our parent/student/teacher conferences for early Term 3, to discuss the report and to set new student learning goals.

Last Wednesday Yagoona Public School completed a Curriculum Program Monitoring session with the NSW Education Standards Authority [NESA]. A representative from NESA, our Director of Educational Leadership –Mr Fielding, a neighbouring school, NSW DoE representatives, Mrs Zaf, Mrs Nazha and myself sat down to discuss and demonstrate how Yagoona Public School teaches Geography within our school. We also had to demonstrate and discuss how we meet student welfare needs. After our two hour meeting, yesterday I received our summary report which I am pleased to say contained positive information and all aspects were “affirmed” by those present. Another great success story. Well done to our RFF, Community Languages team and to Mrs Zafiropoulos for your efforts in collating our evidence.

Good luck to our students representing Yagoona Public School at the upcoming multicultural public speaking competition which will be held at Lidcombe Public School on Wednesday 16th June.

Our PBL reward day will be held on Tuesday 22nd June 2021. Once again everyone is able to attend however if you have received 3 playground thinking times in the last 3 weeks you may not be allowed to attend. This PBL reward day will be “mufti clothes” [casual appropriate clothing, no shirts with inappropriate logo's or pictures etc] there are other surprises but more will be revealed soon.
