From the Principal

Welcome Back

Welcome back to Term 3, I hope that all our students, staff and families have had a restful break. On day one of the term, the staff begun the journey with Real Schools, learning about Restorative Practices. As Mr D'Amore mentioned in his communication with you, restorative practices will support us to create a strong school culture, build effective relationships to resolve conflict and to improve student behaviour.

Semester 1 Reports & Parent Teacher Interviews

Semester 1 reports will be coming home today with your child's progress in their learning and focus areas for improvement. Parent Teacher Interviews have been organised for Week 5. Information on the interviews will be out early next week on the school app.

Education Week

During Week 4, we will be celebrating Education Week with open classrooms and performances on the 8 August. Information will be out early next week.

Have a great weekend.

Mrs J. Cenk

Principal (Relieving)

Deputy Principal

Welcome to Term 3! It was great to see students dive straight into learning after the holidays. Term 3 is a very busy one at Rosehill Public School!

There have been some changes to the Deputy Principal Roles this term. Mrs Cenk will be on leave for most of Term 3 (with the exception of Weeks 2 and 3), therefore Mrs Rafferty and Mr Sherwood will be sharing the role of P-2 Deputy Principal. Mr Quinn and Mrs Petrovic will be sharing the role of 3-6 Deputy Principal.

Semester 1 reports will be coming home this week, which will outline your child's achievements and focus areas for further improvement. Please take the time to read the report carefully. If you have any questions, you will have the chance to discuss these with your child's teacher during Parent/Teacher Interviews in Week 5.

Education Week Open Day will occur on Tuesday August 8, which will be a great chance for you to see some of the wonderful learning and activities that happen at Rosehill on a daily basis! More information to come on this.

Please remember that even though the weather is cold, it is very important that students still wear their school hats when outside. Our school rule states that if students do not have a hat, they will be asked to play in the shade at recess and lunch times. Students are also permitted to wear school beanies, which are navy with an embroidered school logo, but a school hat must be worn on top to ensure sun-safety. School hats and beanies can be purchased, along with other school uniform items, at Oz Fashions Granville. Please visit their website for details: <https://ozfashions.com.au>

Preschool-NAIDOC Week

Welcome back to preschool for Term 3! This fortnight, the children have been learning about NAIDOC Week, which is a special week to celebrate the history, culture and achievements of Indigenous Australians. We have engaged in a range of experiences including:

- Learning about different Indigenous nations and languages
- Discussing ways to care for Country
- The colours and symbols of the Aboriginal and Torres Strait Islander flags
- Making Indigenous flags by painting, drawing and collage
- Reading Aboriginal stories, both traditional
- Dreaming stories and modern texts by Indigenous authors

-Playing games like 'Hiding Kangaroo'

-Playing with native Australian animal figurines and Kiya doll.

The preschool children participated in musical experiences to explore culture through the Meriam Mir language, singing and dancing to the Torres Strait Islander song, 'Taba Naba'. This song, centered around the joy of visiting the reef, was well-enjoyed by the children. They may even teach you at home!

Our future experiences will continue to interweave Indigenous perspectives across the learning program throughout all times of the year. This includes a daily acknowledgement of country, and could involve more Indigenous stories, songs, artworks and games. The importance of Aboriginal perspectives, histories and cultures is reflected in our preschool philosophy in which we recognise and celebrate Indigenous ways of knowing and being.

Outcome 2: Children are connected with and contribute to their world.

EYLF principle: Aboriginal and Torres Strait Islander perspectives

EYLF practices: Cultural responsiveness

Summative Assessments

This week, families are receiving their child's Semester 1 summative assessment, which will give you an update on your child's learning and development at preschool. Please speak to your child's educators if you have any questions, comments, or concerns.

Preschool Reminders

- The preschool team communicates with families in many ways, including Storypark, the school app, the newsletter, 'What's On' easel and whiteboard in the preschool foyer, and face-to-face. Please check these platforms regularly for updates.
- Please arrive on time by **9:15am** each morning and collect your child between **2:15pm-2:55pm** in the afternoons. Arriving promptly to preschool will support your child to transition smoothly into the day, have opportunities to engage in all learning and group experiences and reduce disruption to the other children in the class.
- Even though the weather is cold, a frozen ice brick is required in your child's lunchbox all year round. This is a legal requirement.

RPS Community Corner

It is great to welcome our community back on campus for Term 3. I hope you all had a chance over the break to relax and were able to enjoy some holiday moments.

Driving/Parking Offences in School Zones

P & C Committee

Our next P & C meeting will be held on Wednesday August 2, at 9.00 am in the multi-purpose building.

All parents are encouraged and welcome to attend.
