From the Principal

Term 2 has been progressing well with lots of great learning happening in classrooms. I have had students visiting me this week to share their learning and these moments have been the highlight of my week.

I would like to welcome all the new families to Rosehill that have joined us this term.

It has been busy week, with our Primary Students beginning to engage in Check In Assessments this week. This will continue over the next couple of weeks. It has been wonderful to see students trying their best. Thank you to the teachers of these students for the organisation and for preparing the students for these assessments.

Today, I had the pleasure of presenting a speech to Year 5 and 6 students. The purpose of this, was to model to the children an example of how to go about presenting a speech. The speech was all about Australian Aviator Charles Kingsford Smith. Kingsford Smith is remembered in Australia for being the finest, most daring pilot in the world. With the success of his many international and domestic flights around Australia he showed that regular mail and passenger air flights were possible. His record breaking flights brought interest in aviation to Australia and the world.

Kingsford Smith was married twice and had one son. He was 38 years old when he died.

Have a great weekend

Mr D'Amore

Principal

Deputy Principal's Report

Check-in assessment for Years 4 & 6

This week and next week students in Years 4 and 6 are participating in the Check-in assessment.

Check-In

The Check-in assessment is a NSW Department of Education online literacy and numeracy assessment available to support schools to assess and monitor student learning.

The assessment can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs. Students with disability may receive the same level of support during the assessment they would normally receive in the classroom.

The students have or will complete a Reading and Numeracy assessment.

Mother's Day Stall

Thank you to our wonderful P&C for organising our Mother's Day Stall for our students from Preschool to Year 6. We hope all our Rosehill mums had a relaxing day on Sunday and enjoyed their lovely gifts. Thank you to Mrs Samtani and all the other parent helpers for braving a cold and windy day to support our students!

Mrs Rafferty, Mrs Cenk & Mr Quinn
Deputy Principal

Library

Congratulations to following students who have completed their Premier's Reading Challenge.

5/6 S - Jonathan, Gordon

3/4 A - Krisha

5/6 P - Ashia, Hiya

3/4 M - Richa

5/6 E - Lithumi

Our Preschool News

National Families Week

Rosehill PS Preschool celebrated National Families Week together this week. National Families Week is observed to reflect the importance which the international community attaches to families as the basic

units of society, as well as its concern regarding their situation around the world. As part of our service philosophy at Rosehill PS Preschool, we recognise that families are their children's first and most influential teachers, and we value the knowledge and skills that they impart on their children and bring to our setting.

To celebrate Families Week, the children engaged in discussions and learning experiences about families. This included painting a special banner for our family celebration, reading stories about families, learning some songs and talking about why we love our families.

The children were excited to invite their families for a stay and play afternoon on Tuesday and Thursday, with the classes proudly joining together to sing songs to their families. We all enjoyed a fun-filled afternoon of shared play outside in the sunshine and the children loved playing with their parents and their friends' families. We are looking forward to having you all back again to share in future celebrations. Please give us suggestions as to what you would like to be part of next time.

School App and Storypark

The Rosehill Public School app is the primary platform for communication between school and home. This includes preschool. Storypark is a preschool-specific app that is generally used for sharing updates of your child's learning and development in class.

Please ensure you have both the School App and Storypark downloaded to your device and refer to them frequently for important information. Please see the instructions below to download the School App:

- **iPhone / iPad** and **Android**: Press the App Store or Play Store icon on your device and search for "Rosehill Public School".
- **Windows**: Press the Windows Store icon on your device and search for "**School Enews**". Download the app, open and search for "Rosehill Public School".
- **Subscribe for Email Updates**: You can also subscribe below for updates sent to your email account. Note: Every email that the School App sends to you has a link to unsubscribe.

Preschool Reminders:

- Please sign your child in and out each day. **This is a legal requirement.**
- Please provide a healthy snack and lunch for your child each day. Morning tea should primarily consist of fruit and vegetable snacks.
- **A frozen ice brick must be provided** (as pictured) in your child's lunch box to keep food at safe temperatures all year long.
- A drink bottle of water must be provided. Water will be refilled upon request.

A message from your team

Hi OSHC families and friends!

Term 2 is moving along well and we are all so impressed with the maturity and respectful behaviours we are seeing from all the children.

A big warm welcome to all the new families that have joined this term, we are always so happy to see so many new faces every day!

We have a few big changes coming to Your OSHC. Including digital programs available on the app, an entire menu refresh that will see our food become the best OSHC offering ever seen and an even more personalised program created with the help of the children!

ROCKETEERS

For our ROCKETEERS friends, booking will go live for the Winter Holidays within the next few days.

Celebrate 10 MASSIVE seasons of Rocketeers by creating your very own DIY time capsule at Mission Takeoff X: Back 2 The Future.

Get your creative on with arts & crafts as you make your own Hula Hoop in Project: Hula & Spin.

Celebrate winter with a warm cup of hot cocoa in a decorated mug while designing your own beanie with Pompoms in Project: Beanies Full of Cocoa.

Don't miss out on the action-packed school holiday programs at Rocketeers!

Upcoming Activities

- Big Art Weeks
12th-23rd June
- Imagination Week
Program 22nd-26th May
- Children's Choice
Program 29th May – 2nd June
- Big Art Competition...
Over \$3000 of prizes!

Make a booking.

Join in the fun of Outside School Hours Care activities and experiences with Your OSHC and Rocketeers.
