Mon 6 Sept	5:30pm School Council meeting via Zoom
Mon 6 Sept	7:30pm P&C meeting via Zoom
Tue 7 Sept	7:00pm New Parent Information evening via Zoom

PRINCIPAL'S REPORT

To assist our future planning could any parents who haven't enrolled their child for kindergarten in 2022 please enrol them as soon as possible. Our school's website has instructions on how to complete an online enrolment. Please note that there will be changes to the delivery of this year's kindergarten orientation. Mrs Parr will provide detailed information on kindergarten orientation at the beginning of next term.

Thank you to Mrs Parr, Mrs Taylor and Miss Reynolds for organising the New Parent Information evening which will be held via zoom tomorrow night. The presentation is focused on the new kindergarten parents, but all parents are welcome to attend.

We are about to replace the blue/green soft fall with the hopscotch courts in the middle of the playground. Even though the rubber is still intact there are quite a few patches with significant dips and holes that are a trip hazard. The safety fencing for the project will be erected tomorrow. The project should be completed by the end of next week.

Mrs Ward and I are attending a webinar this afternoon about the National Assessment Program for Literacy and Numeracy (NAPLAN). Normally the school distributes the results via the students. This isn't possible as the majority of our students are learning from home. I will have more details about the delivery of the results in the coming days.

The School Council will meet tonight 6 September. If any member of the school community has any issues they would like raised via the School Council, please email the President of the School Council Carla Liedtke at carlaliedtke@gmail.com or contact any of the members via the contact details available on the School Council's page on the school's website.

Got It!

Screen Time

Not sure how to manage the time your child is spending in front a screen?

It's important you keep a balanced approach to using digital devices such as a computer, iPad and TV. Things to consider:

- Break up screen time with physical exercise and offline learning or play
- Designate "screen free" time
- Turn off screens including TV during meal times
- Ensure safe and responsible use of technology

Tips for safe screen time:

Use only in shared spaces

Be aware of what your child is looking at

No taking screens to bed

Teach your child about online safety
