PRINCIPAL'S REPORT

Reports will go home to parents this Friday, 10 December. Like Semester 1 2020, when we were previously COVID impacted, these reports will not have an A-E grade on it, nor an effort mark. Each student will receive a comment for English and Mathematics. I have spent the past few weeks reading student reports. Despite the challenges that our students faced this semester I am very pleased to read about the achievements of our students. If parents have any questions following receipt of your child's report, please contact your child's classroom teacher.

This week we will come together as a school community for Presentation Day on Wednesday 8, December. So that we can operate in a COVID safe manner, there will be three (3) separate assemblies, a Stage One assembly, beginning at 9:45am, a Stage Two assembly, beginning at 11:45 and the Stage 3 assembly, which will start at 1:30pm. For each prize recipient, only one parent is asked to attend. I understand how challenging this may be for families; however, decisions have been made with the best interests of the students, and my staff in mind. Teachers have spent many weeks reflecting upon results and the year to identify the students who will be acknowledged on Wednesday. I congratulate all recipients but also acknowledge the hard work of all our students. Whilst not everyone will receive an award on Wednesday, all students should be very proud of their accomplishments in 2021.

As mentioned in last weeks newsletter, a reminder that the final day for students will be next **Thursday, 16 December 2021**. Traditionally we hold a farewell 'tunnel' for students who are leaving the school, including our Year 6 students, to pass through. With parents unable to enter school grounds this year, and with the need to ensure that operations are completed COVID safe, this is providing some challenges, however, please keep an eye out early next week for a plan, which will be communicated to the community.

A final reminder, if you know that your child will not be returning to Boronia Park PS next year, please notify the school immediately. This is particularly important to assist with our planning for the new year. I thank you for your understanding and support.

DEPUTY PRINCIPAL'S REPORT

It was wonderful to be able to hold Kindergarten graduation and presentation assemblies on site this term.

Yesterday morning we held our three Kindergarten Graduation assemblies where students were acknowledged for completing kindy in a most unusual year. Students smiled proudly as they received their graduation certificates in front of family. The smiles were contagious. It was a momentous day for students, parents and teachers as we acknowledged the growth and achievement of each child and reflected on how far they've come since they first arrived at Boronia Park Public School at the beginning of this year.

More presentation assemblies and special days are ahead of us as we wind down to the end of the year. I congratulate all students for the hard work they've put in this year. We have learnt to be flexible and resilient.

Enjoy all the celebrations and the last two weeks of our 2021 school year.
