Term 3 Week 7

23 August 2021

### WEEK'S EVENTS

Mon 23 Aug	Learning from home continues
Tue 7 Sep	New Parent Information Evening via Zoom

### PRINCIPAL'S REPORT

The teachers will be presenting weekly merit certificates at each Wednesday classroom zoom session. There will be an award for either literacy or numeracy as well as the value of the month. These will be backdated to week 1 term 3. The teacher will keep the actual merit awards for their students until we are in level 3 of school operation i.e. all students can return to school.

Unfortunately, we will not be presenting any bronze, silver, gold or diamond awards until we can resume assemblies. Families need to keep the merit awards safe until school resumes for all students.

Mrs Ward announced to staff on Thursday that, for term 4, Mrs Taylor will be the relieving Deputy Principal and Mrs Parr will be relieving Assistant Principal for kindergarten.

Hunters Hill Council started the construction of the school's new driveway on Pittwater Road today. It is anticipated that this project will take 2 weeks, weather permitting. There will be no pedestrian access through the driveway gates or the adjacent pedestrian gate during this time. The only entry points to the school will be through the Pittwater Road gate near the Boronia Park Care Centre and the Earl Street gate.

I would like to take this opportunity to acknowledge and thank our non-teaching or school administration staff (SAS) for their hard work, care and dedication. Our SAS team includes our school administration manager, four school administration officers, two General Assistants and seven School Learning Support Officers or SLSOs. Our school could not function without these wonderful people supporting students, teachers and the school community every day.

We have three fourth year practicum teachers from Macquarie University starting this week. They will be working with Mr Lau, Mr Smyth and Mrs Butler. Their practical experience will be different to previous pracs but the teachers will be working closely with them to ensure they have the necessary support and the best experience possible.

## P&C

### FATHERS' DAY

Unfortunately, due to the lockdown we are unable to hold our Fathers' Day Gift Stall.

Be on the lookout for an email containing some craft the children can do at home to help celebrate the special people in their life.
