## From the Principal's desk .....

Firstly, I would like to welcome all the new parents and students to the WHSPA community. I have been spending a great deal of time in the playground getting to know our Year 7 cohort. Overwhelmingly, these students tell me how wonderful the school is and how much they are enjoying the learning environment.

I have to extend a huge congratulations to our 2022 Year 12 students who produced some incredible HSC results. The school achieved 95 Band 6 results as well as 208 Band 5 results. This is an incredible achievement, and I know that you will join me in congratulating them and thanking the amazing WHSPA staff who worked so closely with these students preparing them for the HSC Exams.

Plans are underway to build a cover over the new basketball courts on the southern oval. It has been a long time in the planning stages, but I am happy to say that this work should be completed by the end of Term 2. When completed, this will give the students at the school an all-weather sporting space as well as an all-weather evacuation area.

Finally, I would like to welcome the new staff to the school. Kelly Duroy has joined us in the PDHPE faculty and Tahlia Brodie has joined the Mathematics faculty. I know that you will join me in welcoming them to WHSPA.

Principal

### What's Happening In The Classroom.....

Last week on our 'Snr Exec' learning walks we popped into Year 12 Chemistry. Such a delight to see our senior students immersing themselves in the content. We were fascinated to hear them explain their findings as they conducted a volumetric analysis titration experiment.

## Major Projects Exhibition – Powerhouse Museum

Congratulations to Leisel Price from the class of 2022! We are so super proud of this amazing student and her fabulous design.

Leisel's Textiles Major Work has been selected for the 'Shape' Exhibition at the Powerhouse Museum Sydney. Shape is an annual exhibition of exemplary Major Projects developed by HSC Design and Technology, Industrial Technology and Textiles and Design students.

The three-piece costume was designed for the character Orgon in a contemporary adaption of the 17<sup>th</sup> century play *Tartuffe* by Moliere. The patchwork coat is made from old jeans collected from family and friends. The front is embellished with recycled belt loops, to mimic the button and buttonhole detailing of the traditional French justaucorps. Leisel included a range of techniques including a welt pocket, reverse applique, and machine embroidery.

Leisel is currently studying Design at Enmore TAFE

## HSIE Faculty

Take a look at what's happening in Year 8 Elective History!

On Monday, Year 8 Elective History recreated the myth of Isis and Osiris. They gathered the parts of Osiris scattered around the main quad and then deciphered hieroglyphic clues to open the locked box.

The teamwork from all students was outstanding and allowed for an experiential way to engage with the unit on Ancient Societies and their mythology. It also gave Mrs Pantaleo an amazing excuse to dress up!!!!

## MUSIC Faculty .....

What a start to the year our WHSPA students are having. More wonderful news with 'Overnight' releasing their single last week. What an amazing achievement for some very hardworking humans. All five members of this band are past and / or present WHSPA students and are an example of the platform public education can provide to students wanting to pursue a career in the Arts.

OUT NOW! "All That I Like" is out now on all streaming platforms, including Apple Music and Spotify! Make sure you add the song to your playlists now.

## MUSIC Faculty .....

Nathan Davey in Year 12 has been selected to join the NSW Public School Symphony Orchestra.
