

DANCE

Wollongong High School of the Performing Arts

New Memories created at the 2022 Dance Festival

WHSPA has a rich history at the annual Dance Festival. For 190 WHSPA Dancers this year's Festival will produce many fond lifelong memories. Not only of the items they will be performing but with their friends and families.

The Dance Festival is a premier event within the region, which is a showcase of items from schools across the South Coast. We would love to see families past and present there in support.

Venue:

Illawarra Performing Arts Centre Burelli Street Wollongong
