## Stage 1 Fun Day

Thursday 12th December, 2025

Dear Parents/Guardians,

To celebrate the wonderful efforts of our Stage 1 students throughout 2025, we will be holding a Stage 1 Fun Day on **Wednesday 17th December**. The students will enjoy a range of water play activities in the morning, followed by artwork and a movie afternoon.

Please ensure your child arrives at school in old clothing and enclosed shoes suitable for water play. Clothing must be sun-safe such as a t-shirt to cover the shoulders and appropriate shorts.

Students should apply water resistant sunscreen before arriving at school. They will need to bring a hat and towel clearly labelled with their name and class.

After the water activities, students will remain at school for the rest of the day.

We are looking forward to a safe and enjoyable day celebrating your child's achievements this year. If you have any questions, please contact the school or your child's classroom teacher.
