With only 11 sleeps to go until our Victoria Avenue Spectacular, our students are busy practicing their dance moves and finalising their art displays. We hope to see you here.

Absences and Extended Leave

If your child is absent for any reason from school, could you please ensure that a note, phone call or email to your child's teacher or to the school email is provided stating the date and reason for the absence. This is a legal responsibility and is closely monitored by the Department. An explanation of absence is required within 7 days. If the school has not received an explanation outlining a reason for the absence, a reminder letter will be sent home. If you are taking a long term of absence (5 days or more), for example a holiday during the school term, you must apply for leave via the school's front office and complete a Certificate of Extended Leave. Leave greater than 20 school days will not be approved. Documentation such as travel details, itinerary or flight bookings are needed to issue the extended leave certificate.

Footy Colours Day

Footy Colours Day is a national community fundraising campaign that helps kids with cancer keep up with school. Students are encouraged to wear their favourite mufti footy colours to school on Friday 16 September and bring a gold coin donation to support the fight against cancer. Footy Colours Day is a community fundraising campaign observed for the entire month of September. Established by the Fight Cancer Foundation, the event raises funds to support children in their fight against cancer. From hospital bills to recovery, the challenges of living with a cancer diagnosis cannot be overstated. Footy Colours Day is a reminder that we must come together in our fight against this fatal disease. Ever since its inception in 1995, the fun and sporty events held under Footy Colours Day have raised millions of dollars and supported hundreds of cancer patients and survivors.

NSW Police Legacy Child Safety Handbook

The “NSW Police Legacy Child Safety Handbook” is a comprehensive and free resource to assist parents, carers as well as teachers on a range of topics essential to child safety.

The updated digital edition (link below) includes important content updates from: NSW Rural Fire, NSW Ministry of Health, NSW Police Force, Fire and Rescue NSW, Transport NSW, State Emergency Services, NSW Department of Family & Community Services, eSafety Commissioner and NSW Office of the Children's Guardian.

The Zones of Regulation – Whole School Program

The Zones of Regulation aim to teach students strategies to help them cope with challenging feelings so they can get back to feeling calm and ready to learn. These coping strategies are called ‘self-regulation’. We use the Zones language as part of a whole school approach to help students regulate their emotions and behaviour. The Zones can be likened to traffic lights:

Green: you are ‘good to go!’

Yellow: slow down or take warning

Red: stop and regain control

Blue: rest area where you pull over when you’re tired and need to recharge.

Dropping Off and Picking Up students

A 'Kiss and Ride Zone' or 'Drop-off and Pick-up' area utilises existing 'No Parking' zones around schools. In these areas, drivers may stop to drop off or pick up children, however No Parking rules apply:

- Maximum stop time is 2 minutes
- Driver must remain in or within 3 metres of the vehicle
- Vehicle must not be left unattended

Additional safety tips for school zones:

- Always drop-off or pick-up your child from the designated area, following the school's procedures
- Make sure children use the footpath-side door when getting in and out of a car
- Make sure the hand brake is applied when the vehicle is stationary
- Never double park
- Never park across a pedestrian crossing
- Never undertake a U-turn in close proximity to the school.

Safety Tips for Students:

- Stay buckled up until the vehicle has stopped in the 'Drop-off and Pick-up' area
- Make sure your school bag and other items are in a safe position, e.g. on the floor
- Be ready to get out of the car with your belongings when the car has stopped and you have unbuckled your seatbelt
- Always get in and out of the backseat of the vehicle through the safety door - the rear footpath-side door.

No Stopping

What does it mean? You cannot stop in this area FOR ANY REASON (including queuing or waiting for space).

Why is it there? Keeps clear sight lines between drivers and children/pedestrians.

Penalty \$330 + 2 Demerit Points (School Zone)

No Parking

What does it mean? You can stop in a NO PARKING zone for a maximum of two minutes to drop off and pick up passengers. If no spaces are available, you cannot queue on the road way or in any other zones while waiting for a space. You will need to drive away and park elsewhere, only returning when there is space to pull up. You must stay within three metres of your vehicle at all times.

Why is it there? To provide a safe place for children/pedestrian set down and pick up.

Double Parking

You must not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers.

Why is it there? Double parking forces other cars to go around you causing traffic congestion and reduces the view of drivers and children crossing the road.

Penalty \$330 Demerit points (School Zone)

Restorative Practices

Restorative Practices form the relational basis for Quality Teaching and Learning. Our Restorative Practice Framework, because of its explicit nature, offers a common language and practice capable of fostering healthy relationships. Student achievement is enhanced through Restorative values being embedded as a way of being and learning together. Our approach fosters individual responsibility and helps develop empathy. Inappropriate behaviour or choices and mistakes can be viewed as an opportunity for insight, learning and development in both the academic and social domains.

The explicit framework is inextricably linked to the Quality Teaching Framework and includes the following sets of questions to be asked by children, teachers and parents.

When Things Go Wrong.... When Someone Has Been Hurt

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you may do to make things right?
- What did you think when you realised what happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?

The process is empowering as it takes students from the past to the present and gives them hope for the future. It empowers them to make things right and heal any harm that has been done. A restorative classroom setting is one that values dialogue through an inclusive approach where everyone expects to be heard and through this participatory process, students develop the capacity to learn that emotions are an important and legitimate expression of healthy dialogue. This process helps students to deal with conflict, tensions and difference in respectful ways that engender trust and foster healthy relationships.

Our Help Increase the Peace (HIP) Keys

Our school values incorporate the 'Help Increase the Peace Keys' to promote a harmonious, nurturing, and challenging living and learning environment.

The HIP program offers a whole school approach to building relationships through communication, co-operation, trust building and conflict resolution.

Turtles

The Turtles have been exploring all things measurement this fortnight. Students have measure how long their hugs were and found objects within the classroom that were the same length. They have also been exploring capacity of containers by using rice to compare and order them by size.

Owl's Adventure to the Zoo

On Tuesday the Owls went for an excursion to Tarongu Zoo. The students had a wild adventure, filled with incredible animal encounters and unforgettable moments.

Lyrebirds have had a very creative week. We have enjoyed writing and reading poetry aloud and learning all about rhythm and free verse. We have also been busy making our own flags to represent the continent of Asia, and designing a pair of Crocs for a character in our novel study!

YEAR 4

ZOO SNOOZ

On Monday the 4th September, Year 4 went on a roarsome overnight excursion to Taronga Zoo. After a scrumptious dinner students enjoyed our night safari through the zoo where they observed tigers in the Sumatra exhibit, a cute Red Panda and other nocturnal creatures. The following morning, Year 4 went on a behind the scenes tour of the Australian exhibit. Students learnt some very interesting facts about the Tasmanian Devil and the dangers this species is facing. Throughout their excursion students had the opportunity to meet a Shingle Back Lizard, Blue Tongue Lizard, Ring Tailed Possum, snakes, Colombian monkeys and the group mascot Chonky!
