Principal's Message

Thank you for all your support throughout the semester. I hope everyone has a safe and enjoyable holiday with family and friends.

Voluntary School Contribution

There have been several questions around the voluntary school contribution for 2025. This contribution is replacing the previous school fees. School voluntary contribution levels have been capped at \$50.00 for primary schools by the department of education. There are no compulsory fees or charges in New South Wales government schools for students to meet the minimum curriculum requirements. Extra-curricular activities may incur a fee, such as excursions and sport. If families have concerns around payment for any school activity, they should contact the school office to discuss how they can be supported.

Burnside Public Education Open Day- Tuesday 5 August 9.30-11.30am

Public Education Week is a time for all of us to come together and celebrate our commitment to **ignite your potential**. Let's take pride in being part of NSW public education and the endless and far-reaching achievements of our students and staff.

During Public Education Week 2025, let's celebrate all that you do to **ignite the potential** of every student in every aspect of their education, including high potential and gifted learners.

This is an opportunity to acknowledge our exceptional staff, celebrate the achievements of our students and recognise why we proudly choose public education, where every child reaches their full potential.

Families and friends are welcome to celebrate Public Education at Burnside. This will include performances by our school bands, choir, junior and senior dance groups and year 5 DanceSport. There will also be the opportunity to purchase your child's individual artwork, bid on the class artworks and buy some new books at the Book Fair. Year 6 will be holding a Cup cake stall at recess and their parents will be cooking the sausage sizzle for the students who have pre-ordered them, please don't forget to pre-order your child's sausage. All classrooms will be open for families and friends to share in the students learning.
