Principal's Message

What a wonderful end to a great term. Thank you to our community for being so enthusiastic this week with the Easter Hat & Crazy Hair Parade, Name the Rabbit competition, the cupcake stall and the ANZAC Service which continues to be held at our 100 years celebration flagpole area. The Easter Hat and Crazy Hair Parade was a lovely way for the students to join with each other and our community. Thank you to our School Captains who all did a great job during the ANZAC Service and to our wonderful SRC students who represented their classes so respectfully. It was wonderful seeing some of our students wearing family medals this year. Thank you to Mr Van Asperen for playing the Last Post and the Rouse for our service again this year. A very special thank you to Morgan's grandfather who came with medals from several generations of his family. Year 1, 1/2 and 2 were extremely fortunate to have an opportunity to ask him questions and see all the medals up close. What a generous community we have at Burnside, sharing their time and experiences with our students.

The staff and I wish everyone a very safe and happy holiday. I hope everyone enjoys spending time with friends and family. We would like to thank you for your support over the past eleven weeks and we all look forward to more exciting teaching and learning opportunities with the amazing students at Burnside.

School Leadership Groups

All of our year 6 students are considered leaders in our school. The photographs taken by our Media team show some of our year 6 leadership teams: School Captains and SRC Leaders, Media Team, House Captains, Gardening team and Technology team. Thank you, year 6 for your wonderful leadership of our school.

Stage 3 in Canberra

Students from our school have recently undertaken, an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage, and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding to our school in the amount of \$30.00 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.
