Principal's Message

Thank you to the P&C for their continuous support of our school. We had a very productive meeting last night, including a discussion on where the P&C fundraising could best benefit Burnside. We are working on a new project to revamp and improve the area around the top part of the netball court. The idea is to make it a better working space for play time and class outdoor opportunities. As the project is in it's early planning stage we would welcome input from our community. The best way to be part of this is to have your voice heard at P&C meetings. Students will also have their voice heard on this project as they will be the ones playing and learning in the area.

Please continue to support the P&C and their fundraising efforts to improve our school.

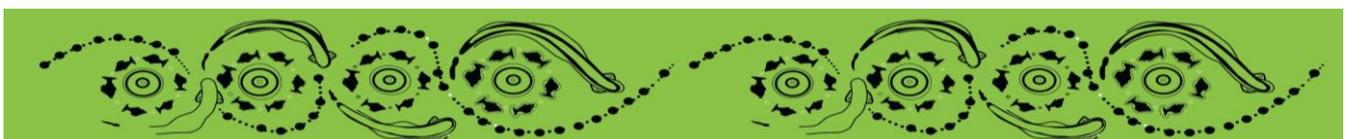

SRC Wellbeing Week

Burnside students recently participated in a range of activities to celebrate Wellbeing Week across K-6. The week focused on the importance of teamwork, connection and looking after our wellbeing. Our SRC representatives led a short mini lesson for classes about what teamwork looks like, sounds like and feels like, helping students reflect on how they can support one another at school.

Throughout the week, buddy classes came together to take part in a variety of teamwork games and challenges, giving students the opportunity to collaborate, communicate and build positive relationships with students across different year groups. These activities encouraged problem solving, cooperation and plenty of fun.

The week finished with our Burnside Picnic and mufti day, where students enjoyed spending time together outdoors, celebrating the strong sense of community within our school. It was wonderful to see students demonstrating kindness, teamwork and school spirit throughout the week.

Parent Workshops

The transition into stage 2 numeracy workshop was the second parent workshop this term. Our next one will be **tomorrow at 8.45am** in the library. This workshop will explain what **Life Skills Go** is and how we have implemented it into our everyday wellbeing for students.

Clean Up Burnside Day

Assembly Awards Week 6 & 7

Some teachers enjoyed a night out watching the King's School musical. They were lucky enough to have some Burnside students join them.
