Principal's Message

Student Wellbeing

As today is R U OK Day, I thought it would be a good time to remind families about the wellbeing opportunities available at our school. At every public school, there are people you and your child can talk to should they ever have a problem.

Your child's classroom teacher is always willing to listen and help. There are other teaching staff with wellbeing responsibilities such as Assistant Principals who you can talk to. Students can also nominate a particular teacher that they can talk to if they would like.

Every NSW public school has access to the School Counselling Service. Highly skilled school counsellors and school psychologists have qualifications in psychology and work specifically with young people to provide extra advice and support.

Wellbeing is at the forefront of everything we do at Burnside. If you ever have concerns about your child or want help with accessing outside supports, please remember that our door is always open.

Congratulations to our Premier's debating team winning another debate. They will debate against Colyton PS next Monday and we wish them good luck for that debate.

Kindergarten Enrolments for 2025

Please Enrol Online as soon as possible

Parents who have children wishing to commence Kindergarten in 2025 need to complete an application to enrol in a NSW Government School form. This form is available via the online enrolment process which can be found on our website or go to [Online Enrolment Application \(nsw.gov.au\)](https://www.nsw.gov.au/online-enrolment-application) or by collecting an enrolment form from the office.

If you reside outside our local catchment area you will need to complete an Out-of-Area Enrolment for Burnside Public School (also available online at [Online Enrolment Application \(nsw.gov.au\)](https://www.nsw.gov.au/online-enrolment-application) or in a paper form) and then you will be placed on our waiting list. All siblings need to ensure this process is completed as soon as possible so we can establish if we have additional space for out of area enrolments.

If you have neighbours or friends that maybe interested in coming to Burnside next year, please direct them to the school website or invite to come up to the school office.

School Activities

All payments and permission can be made through your SchoolBytes portal.

P&C Messages

Family Fun Night

Our annual community event is October 25th, and we need your help to make the night a success.

Thank you to everyone who volunteered as a class parent, we will be in touch in the next few days.

We still need a class parent for KAF and 4B however, so please reach out if you can help. This is to help coordinate volunteers on the night, and P&C will provide plenty of support, so please help if you can.

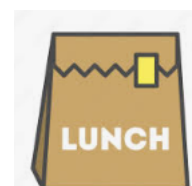

Please also let us know if you can donate a prize, bake for the cake stall, and if you want to sell your products at our community stall.

This is such a fun night for the kids, and many hands make light work, so please reach out to help. We know this can be intimidating at first, but P&C and the staff are here to support you and make this a success.

Canteen

Food orders are now available twice a week – Tuesday and Thursday.

Please remember to put your child's name AND class in the "notes to staff" section, so the food gets to your child smoothly.
