Principal's Message

Life Skills Go

At Burnside, we are committed to creating a safe, supportive, and engaging learning environment for all our students. To further this commitment, we have partnered with Life Skills Group to implement the Life Skills GO program. This evidence-based, online platform is designed to nurture the social, emotional, and physical development of your child, equipping them to thrive both in school and in life.

It involves the students checking in regularly in class with their teachers, using a digital check in tool. Our decision to adopt Life Skills GO is driven by the need to implement evidence-informed practices that enhance student engagement, improve classroom behaviour, and boost learning achievement. By doing so, we aim to create a positive classroom environment that leads to better attendance rates, fosters a safe and supportive atmosphere, and ensures that every student feels secure, valued, and capable of academic success.

This initiative is not just about immediate outcomes but about building a resilient and thriving school community where all students can reach their full potential. We believe that by investing in the wellbeing of our students, we are laying the foundation for their future success. In term 4 we are trialling Life Skills GO in preparation for 2026 when we will launch it for all classes and start the complete integration of this program into our school routine.

NSW Athletics Carnival

Congratulations Sophia on representing Sydney West at the NSW Athletics Carnival. She had an amazing day at Homebush in the super-hot conditions on Wednesday, coming an incredible 10th in High Jump in the State with a PB of 1.25m. Well done, we are so proud of your achievement.
