### **DanceSport Gala Evening**

What an amazing night we had at the DanceSport Gala last night. Our students were wonderful ambassadors and danced with flair and passion, showcasing their outstanding talents. We had so many successes throughout the night, culminating in four couples making it to the finals. Wes and Sophia came sixth in the Cha Cha, Kobe and Lauren came second in the Jive and Marcus and Savannah and Oliver and Harper came second and first in the Tango, which was so exciting to witness. The school received the HPGE (High Performance and Gifted Education) trophy for our contribution to DanceSport and HPGE this year. The staff and I are so proud of the year 5 students' achievements and can't wait until next year.

## Athletics Carnival at King's

A huge thank you to Mr Idstein for arranging for us to have our Athletics Carnival at the White Oval at King's today. We really appreciated the opportunity to use their oval. Thank you as well to all the parent helpers and supporters who made the day such a successful and enjoyable event. Unfortunately, the photographs from today were not ready for the newsletter, there will be a page or two to enjoy in the next one. The ribbons from the athletics carnival will be presented at tomorrow's assembly.

## NSW GROUP IS NOW ENROLLING

Since 1934 the Australian Air League has been teaching young boys and girls nationwide all about aviation, while helping them develop important life skills like leadership, discipline, self confidence and teamwork. When you join the league you will make new friends and take part in fun and exciting activities, on the ground and in the air.

Each week you will attend your local squadron where you will learn valuable skills and take part in fun and interesting activities and classes. Some of our classes include Meteorology, Navigation, Photography and Community Service. Squadrons also attend training camps, sport and recreational days, flying experiences and ceremonial drill.

We welcome boys and girls from the age of 8 years old from all different cultures and backgrounds. Parents and families are welcome to support or even join their local squadron as a volunteer. All adult members and volunteers are Working with Children Checked.

The Australian Air League is running both a fun and educational programme that is making fine citizens out of our young Australians.
