### Principal's Message

#### Habits of Mind Focus

We are focusing on **Persisting** in school until the end of term. This habit is one that we can relate to at home as well as school.

***When you or a family member are working through a problem...***

- Stop and analyse what the problem was asking in the first place.
- Break the problem apart into steps and identify on the calendar when the task is due.
- Think of another strategy and try it.
- Seek help or feedback from someone.

### ***When you or a family member need inspiration...***

- Celebrate progress you are making along the way and anticipate your next steps.
- Imagine what it will look and feel like when you are successful
- Find motivating quotes from your heroes who persisted.
- Think about a time when you persisted and it was difficult, but it really paid off.
- Share stories with your children about how their ancestors persisted.

### ***When you or a family member need a break...***

- Focus on slowing down your breathing.
- Get up and move. A change of scenery can help jump start fresh thinking.

### **Minister's Student Council (DOVES) Metropolitan North District Representative Council**

Congratulations Sophia for representing our school as part of the establishment of Network Level Representative Councils, aimed at tackling project-based challenges within a cluster of schools. These Councils also provide representation, insights, and updates to the Minister's Student Council via the Metropolitan North Public Schools Directorate and State level Councils, to relay critical feedback and concerns to the Deputy Premier.

### **Senior Band at Riverside Theatre**

The Senior band played beautifully at Riverside, showcasing their musical talents.
