Principal's Message

The school is engaging with an Aboriginal artist Bibi Barba to design new shirts for year 6, staff and representative shirts. We are looking to our second visit with her and some of our students, parents and staff. We are using our local totem of the snapper fish as part of the design, collaboratively using the students' ideas with Auntie Bibi's experience as an Aboriginal artist to develop the design. This is a great way for the school to embrace Aboriginal histories and culture in a very visual way, that is uniquely Burnside's.

Class Placement 2026 – Parent/carer requests in writing

Class placement is an important and complex task which the school invests a lot of time and planning in. Parents and carers are welcome to provide written information by letter or emailing the school. Please have these to me by Monday 1 December 2025 should there be specific considerations or information about your child/children you would like the school to be aware of when forming 2026 class placements. These may include:

- social and emotional needs
- academic ability – consideration for additional extension or remediation
- behaviour and past relationship issues that you feel have impacted your child/children.

There are no guarantees all considerations can be implemented due to our limited classes, but please be assured that the Executive, the staff and I always plan class with the best educational and wellbeing outcomes at the forefront of determining class placements for every student.
