Dear Parents and Friends

Kindergarten Transition

Our final Kindergarten transition visit concluded today and it has been great to welcome our new students to Oakville Public School. All students were very settled during the visits and interacted well with their new class members, teachers and buddies. We are looking forward to their first day of 'big school' in 2025!

Parent/Carer Surveys

Parent/carers surveys have been sent home to all families. We are asking as many families as possible to complete these surveys and return them to school by Wednesday 4 December.

Swimming Scheme

On Friday 22 November, the Year 2 Department of Education run swimming school at Riverstone pool will conclude. The two week program taught students essential swimming and water survival skills. Congratulations to all students who attended the pool for their enthusiastic participation in the program and wonderful behaviour during the two weeks. Thank you to Miss Howard for coordinating the program, and to Mr Fraser and Miss

Semester 2 Student Progress Reports

As part of our school student reports, we provide information regarding your child's effort in each Key Learning Area, as well as his/her academic performance. It is very important to take into consideration a child's effort when viewing reports, as it shows the diligence and commitment to his/her work.

We ask that you take the time to sit and read your child's report with him/her, highlighting the positive aspects of the report and also discussing any areas of possible improvement.

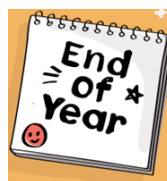

Student progress reports will be sent home on Monday 16 December 2024.

Planning for 2025

We have commenced our planning for 2025 and would greatly appreciate receiving information regarding any child who is not returning to Oakville Public School in 2025. If your child is not returning to Oakville Public School in 2025, please let the office staff know so we can do as much as possible to organise classes around anticipated enrolments.
